The Great Prince Shan:

The Great Prince Shan E. Phillips Oppenheim, 2019-12-04 In *The Great Prince Shan* E Phillips Oppenheim crafts an enthralling narrative set against the exotic backdrop of early 20th century China. The novel intricately weaves elements of political intrigue and romance showcasing Oppenheim's masterful storytelling and nuanced character development. With sharp dialogue and vivid descriptions, the story follows the machinations of a Chinese royal navigating the treacherous waters of Western imperialism and personal ambition, rendering a rich context that reflects contemporary anxieties about empire and nationalism. Oppenheim's adeptness at creating suspense and his keen observations of human nature elevate this work within the genre of spy fiction prevalent during his time. E Phillips Oppenheim often dubbed the Prince of Stories was an influential English novelist whose prolific output mirrored the tumultuous socio-political landscape of the late Victorian and early Edwardian eras. His experiences as a journalist and a keen observer of international affairs informed his gripping narratives, and his familiarity with the workings of diplomacy certainly shaped his portrayal of the complexities inherent in *The Great Prince Shan*. This novel is a compelling exploration of cultural intersections and a prescient commentary on the consequences of power, making it essential reading for those interested in historical fiction and geopolitical dynamics. Oppenheim's ability to blend suspense with moral dilemmas renders this book not only an entertaining read but also a thought-provoking piece worthy of further reflection.

[The Great Prince Shan](#) Edward Phillips Oppenheim, 2020-12-02 A club for diplomats and gentlemen Prince Karschoff remarked looking lazily through a little cloud of tobacco smoke around the spacious but almost deserted card room. The classification seems comprehensive enough yet it seems impossible to get even a decent rubber of bridge. Sir Daniel Harker a many years retired plenipotentiary to one of the smaller Powers shrugged his shoulders. Personally I have come to the conclusion he declared that the reason for the club seems to be passing. There is no diplomacy nowadays and every man who pays his taxes is a gentleman. Kingley you are the youngest. Ransack the club and find a fourth. The Honourable Nigel Kingley smiled lazily from the depths of his easy chair. He was a young Englishman of normal type long limbed clean shaven with good features a humorous mouth and keen grey eyes. In actual years he admitted I may have the advantage of you two but so far as regards the qualities of youth Karschoff is the youngest man here. Besides no one could refuse him anything. It is a subterfuge the Prince objected but if I must go I will go presently. We will wait five minutes in case Providence should be kind to us.
