The Ground Beneath Her Feet A Novel:

The Ground Beneath Her Feet Salman Rushdie, 2011-11-02 The first great rock n roll novel in the English language The Times On Valentine's Day 1989 Vina Apsara a famous and much loved singer disappears in a devastating earthquake Her lover the singer Ormus Cama cannot accept that he has lost her and so begins his eternal quest to find her and bring her back His journey takes him across the globe and through cities pulsating with the power of rock n roll to Bombay London and New York But around the star crossed lover and his quest the uncertain world itself is beginning to tremble and break Cracks and tears are appearing in the very fabric of reality and exposing the abyss beyond And Ormus has to confront just how far he is willing to go for love In this epic romance that stretches across whole lives and even beyond death Salman Rushdie's most accessible novel is also a vivid account of the intimate flawed encounter between East and West a remaking of the myth of Orpheus and an exploration of the extremities of comedy culture and desire The Ground Beneath Her Feet is a gripping story that encapsulates the history dreams and passions of the last half century as no other novel has done *The Ground*

Beneath Her Feet Salman Rushdie, 1999-07 **Intermediality in "The Ground Beneath Her Feet"** Thomas Schachtebeck, 2011-01-19 Seminar paper from the year 2007 in the subject Didactics for the subject English Literature Works grade 1.7 Free University of Berlin Fachbereich Englisch course Literary Concepts II Intermediality language English abstract In his seventh novel The Ground Beneath Her Feet hereafter GF Rushdie tells the love story of the 20th century pop icons Vina Aspara and Ormus Cama However GF is not exclusively about love since the novel also combines a lot of historical and mythological aspects with the mainstream pop culture of the 20th century In fact the field of pop music seems to be central next to the novel's love theme because throughout the whole book extracts of original and remodelled song lyrics are incorporated into the texture of GF and these song lyrics are amongst many other things used to reflect the love between the novel's protagonists Furthermore the subject of music is also realised by the adoption of another strategy Although the novel is said to be fictional GF tries to blur the edges between the fictional world and the real world Rushdie interview with Vijaya Nagarajan 1999 Therefore Rushdie applied the technique of the alienation effect which aims to make the familiar seem strange This technique was predominantly realised by embedding mythological aspects in the story of GF and changing historical events which actually happened Consequently Rushdie created a parallel version of the world which is slightly different from reality The most influential aspect which makes the familiar life of the novel's pop stars seem strange is its comparison with the Orpheus myth Moreover the Orpheus myth dignifies music as it basically declares that one can kill the singer but not the song Since the subject of music seems to be of crucial importance in GF and Salman Rushdie regards pop music as the first cultural phenomenon of extraordinary force Rushdie interview with Vijaya Nagarajan 1999 this paper aims to explore which different functions music fulfils in Rushdie's novel Therefore this paper will first give a brief and general overview about the theoretical background of intermediality and the interrelation between literature and music Afterwards it

will try to uncover in which ways music is related to GF by pointing out the different purposes music fulfils in terms of the novel's mythological aspect the topic of globalisation and the love theme Finally this paper will work out in how far GF draws parallels to the life and music of famous pop icons like Elvis Presley and Bob Dylan but the paper's main interest is clearly dedicated to Ormus Cama's resemblances to Bob Dylan

The Ground Beneath Her Feet & Other Stories & Poems Jan Fortune-Wood, 2008 Life lived on shifting ground in the extraordinary moments when something cracks and something new happens is the underlying thread that unites the stories and poems in *The Ground Beneath Her Feet*

The Science Fiction Dimensions of Salman Rushdie Yael Maurer, 2014-01-30 This book focuses on the science fictional dimensions of Rushdie's later novels *Fury* *The Ground Beneath Her Feet* *Shalimar the Clown* and *Luka and the Fire of Life* and Rushdie's first unpublished novel *The Antagonist* to show how the author's oeuvre moves towards a more consistent engagement with science fiction as a generic form and an ideological investment The author demonstrates how Rushdie recreates personal and national histories in a science fictional setting and mode and contends that the failure of his first novel *Grimus* may have led Rushdie away from SF for some time although he returns to it with a much firmer conviction and a much stronger voice in his later novels showing his commitment to this imaginative form which he describes in *Fury* as providing the best popular vehicle ever devised for the novel of ideas and metaphysics The science fictional mode

is the most appropriate vehicle for expressing these thematic and ideological concerns and the organizing feature of Rushdie's oeuvre. The author rereads the later novels in light of recent critical engagement with SF as a vehicle for reimagining national histories and as a potentially subversive tool for social and political engagement in a fictional realm.

Contemporary Fiction, Celebrity Culture, and the Market for Modernism Carey Mickalites, 2022-01-13 Arguing that contemporary celebrity authors like Zadie Smith, Ian McEwan, Martin Amis, Kazuo Ishiguro, Salman Rushdie, Eimear McBride, and Anna Burns position their work and public personae within a received modernist canon to claim and monetize its cultural capital in the lucrative market for literary fiction, this book also shows how the corporate conditions of marketing and branding have redefined older models of literary influence and innovation. It contributes to a growing body of criticism focused on contemporary literature as a field in which the formal and stylistic experimentation that came to define a canon of early 20th-century modernism has been renewed, contested, and revised. Other critics have celebrated these renewals, variously arguing that contemporary literature picks up on modernism's unfinished aesthetic revolutions in ways that have expanded the imaginative possibilities for fiction and revived questions of literary autonomy in the wake of postmodern nihilism. While this is a compelling thesis and one that rightly questions an artificial and problematic periodization that still lingers in academic criticism, those approaches generally fail to address the material conditions that structure literary production and the generation of cultural capital, whether in the historical development of modernism or its contemporary permutations. This book addresses this absence by proposing a materialist history of modernism's afterlives. **Re-Shaping**

Culture and Identity in Postcolonial Fiction: Salman Rushdie and Abdulrazak Gurnah Şennur Bakırtaş, 2023-02-07 One of the most fascinating, rapidly developing, and difficult areas of literary and cultural studies today is postcolonialism. Focused on postcolonialism and designed especially for those studying postcolonial studies, *Re-Shaping Culture and Identity in Postcolonial Fiction* by Salman Rushdie and Abdulrazak Gurnah introduces key subject areas of concern, such as culture and identity, in a clear, accessible, and organized fashion. It provides an overview of the development of postcolonialism as a discipline and takes a close look at its important authors, Salman Rushdie and Abdulrazak Gurnah, and their selected oeuvres: *Fury*, *Midnight's Children*, *By the Sea*, and *Memory of Departure*. With a palimpsestic analysis of culture and identity as crucial features of postcolonial texts, *Re-Shaping Culture and Identity in Postcolonial Fiction* by Salman Rushdie and Abdulrazak Gurnah argues how postcolonialism functions in allowing the formation of a new perspective on the contemporary world. Besides it offers an alternative perspective on their works, one that promotes the importance of the issue of postcolonial agency. This book will prove invaluable to anyone studying English Language and Literature, Migration Studies, and Cultural Studies. **Contents:** Introduction, the borders of culture and identity, A critical approach to culture and identity under the light of postcolonial theory, The contributions of Abdulrazak Gurnah and Salman Rushdie to postcolonial literature, Non-homes in postcolonial culture, Unbelonging postcolonial identity, Conclusion, towards a new understanding of culture and identity.
