Ghosts of North-West England Peter Underwood, 1978 A dwarfish figure that resembled a monk with a gnarled and twisted face holding out a bleeding arm from which the hand had been cut off at the wrist He saw in the clear moonlight a massive male figure standing under a tree dressed entirely in black The ghostly little monk of Foulridge and the giant apparition from Heaton Norris are just two of the denizens of the North West you might not care to meet on a dark stormy evening You would also be advised to avoid the Old Miser of Altrincham the Timberbottom Farm Skulls the Clayton Hall Boggart and the Man in the Brown Pin stripe Suit It's certainly not a good idea to drive along the Hyde Mottram road when the phantom lorry is about and you should think twice before taking a taxi in

Stockport you never know who might be in the back seat with you But for those intrepid souls whose hearts quicken at the thought of eerie footsteps and muffled groans Peter Underwood the President of the Ghost Club has assembled an impressive collection of traditional legends and first hand sightings of the white ladies highwaymen cavaliers priests and nuns who form the spectral population of haunted Lancashire and Cheshire *Swinging the Maelstrom* Malcolm Lowry,2013-11-28

Swinging the Maelstrom is the story of a musician enduring existence in the Bellevue psychiatric hospital in New York Written during his happiest and most fruitful years this novella reveals the deep healing influence that the idyllic retreat at Dollarton had on Lowry This long overdue scholarly edition will allow scholars to engage in a genetic study of the text and reconstruct step by step the creative process that developed from a rather pessimistic and misanthropic vision of the world as a madhouse The Last Address 1936 via the apocalyptic metaphors of a world on the brink of Armageddon The Last Address 1939 to a world that in spite of all its troubles leaves room for self irony and humanistic concern *Swinging the Maelstrom* 1942 1944 *Ghosts and Haunts of the Civil War* Christopher K. Coleman,1999-09-12 Explore the strange and shadowy side of the civil war A fascinating collection of ghostly sightings auspicious visions audible manifestations and uncanny premonitions In 1872 a photographer who claimed he could capture the essence of dead relatives took an image purporting to show Mary Todd Lincoln with the protective ghost of Abraham Lincoln behind her The spirit of George Washington who appeared to John C Calhoun in the 1840s to persuade him not to dissolve the union The nameless drummer boy from the Army of Ohio who still plays at the Shiloh battlefield The twentieth century schoolchildren who heard the Irish brigade on the Antietam battlefield Teddy Roosevelt and First Lady Grace Coolidge who both claim to have encountered Abraham Lincoln in the White House Jefferson Davis and his wife Varina who both have been seen at Fort Monroe Virginia where he was imprisoned after the War **The English Civil War** Charles J Esdaile,2024-08-30 Cavaliers and Roundheads are figures who appear in hundreds of English ghost stories In this innovative account Charles Esdaile argues that such tales are in reality folk memories of an episode of English history that was second only to the Black Death in terms of individual and collective suffering alike and further that they reveal important truths about the way in which the conflict was represented it is no surprise then to find that spectral Cavaliers are often romantic figures and revenant Roundheads grim ones full of menace Yet the book is no mere catalogue On the contrary rather than being discussed in a vacuum the tales of haunting are rather set within a detailed regional history of the conflicts of 1642 1651 of a sort that has never yet been attempted but is for all that badly needed **Most Haunted Theatres** Yvette Fielding,2024-02-01 Discover the spooky histories of real life places in this chilling new series from ghost hunting expert Yvette Fielding and First Lady of the Paranormal Yvette Fielding and her Most Haunted team are on a quest to uncover the ghostly histories of Britain's theatres Brought to life by Yvette and the Most Haunted team's investigations prepare to be spooked by the father of clowns the ghost of the killer thespian Charles Macklin and the lingering spirit of a ballerina who tragically took her own life Other books in

Navy),1885 Where the Ghosts Are Steve Vernon,2025-09-19 If you re from Halifax you ve probably heard that the Five Fisherman Restaurant is supposedly haunted and that Georges Island is overrun with ghosts If you re from Nova Scotia you probably know about rumours of buried treasure on Oak Island or about the UFO sighting in Shag Harbour But what about the Grey Lady of Stoney Beach Or the Ghost of Haddon Hall Featuring addresses and GPS coordinates this guide to Nova Scotian haunts maps out the origin stories of 50 spooky tales **Legends and Superstitions of the Sea and of Sailors in All Lands and at All Times** Fletcher S. Bassett,1885 **The A to Z of Fantasy Literature** Brian Stableford,2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites **The Story of Rose O'Neill** Miriam Forman-Brunell,2022-11-21 To most of us Rose O Neill is best known as the creator of the Kewpie doll perhaps the most widely known character in American culture until Mickey Mouse Prior to O Neill s success as a doll designer however she already had earned a reputation as one of the best known female commercial illustrators Her numerous illustrations appeared in America s leading periodicals including Life Harper s Bazaar and Cosmopolitan While highly successful in the commercial world Rose O Neill was also known among intellectuals and artists for her contributions to the fine arts and humanities In the early 1920s her more serious works of art were exhibited in galleries in Paris and New York City In addition she published a book of poetry and four novels Yet who was Rose Cecil O Neill Over the course of the twentieth century Rose O Neill has captured the attention of journalists collectors fans and scholars who have disagreed over whether she was a sentimentalist or a cultural critic Although biographers of Rose O Neill have drawn heavily on portions of her previously unpublished autobiography O Neill s own voice richly revealed in her well written manuscript has remained

largely unheard until now In these memoirs O'Neill reveals herself as a woman who preferred art activism and adventure to motherhood and marriage Featuring photographs from the O'Neill family collection The Story of Rose O'Neill fully reveals the ways in which she pushed at the boundaries of her generation's definitions of gender in an effort to create new liberating forms

Sea Phantoms Fletcher S. Bassett, 1892 **Envy** Sandra Brown, 2013-08-27 In this explosive page-turner by a New York Times bestselling author a book editor travels to a Southern island to work with a mysterious author and ends up uncovering a shocking truth about a carefully concealed crime It's rare for an unsolicited manuscript to pique book editor Maris Matherly Reed's interest but a new submission with blockbuster potential inspires her to seek out the author on an obscure island off the Georgia coast Parker Evans is a writer determined to conceal his identity as well as his past As she begins to work with him Maris suspects that his tale about a missing person might be closer to fact than fiction Disturbed by this realization and her growing attraction to Parker she searches for clues relating to a crime committed long ago When someone close to Maris suddenly dies an evil presence looms even closer a man who will use anything and anyone to get what he wants

Ghosts of the Triangle Richard Jackson, William Jackson, 2009-08-31 A hub of research and technology North Carolina's tri-city region is built on the bones of a haunted past that's brought to life in twisted tales The Research Triangle is a place of renowned progress and technology but its three cities also boast a long and rich heritage complete with many important historic sites where the past lingers a little too closely From the otherworldly music at the Carolina Inn to the sound of laughter echoing in the old morgue at Watts Hospital to the image of men swinging from ropes in Hannah's Creek Swamp the ghosts of the Triangle continue to make their presence known throughout the region Join local brothers Richard and William Jackson as they trace the history behind these spine-tingling tales Includes photos

Lancashire Magic & Mystery Kenneth Fields, 1998 This text lifts the veil which shrouds modern Lancashire to uncover an amazing diverse world of the unexplained The author leads you to sacred sites associated with witchcraft and paganism to sightings of UFOs

Ghosts along the Mississippi River Alan Brown, 2011-09-01 Some of the nation's most compelling ghost stories owe their origin to The Father of Waters Ghosts along the Mississippi River is the first book-length collection of ghost tales from the small towns and bustling cities that have grown up along its banks The states represented in this book include Arkansas Illinois Iowa Louisiana Minnesota Mississippi Missouri Tennessee and Wisconsin Unlike most collections of true ghost stories Ghosts along the Mississippi River draws from the folk traditions of the northern and the southern United States These tales are populated with Federal and Confederate soldiers Native Americans wealthy entrepreneurs actors college students hotel owners preachers slaves and planters According to some paranormal investigators the large number of ghost stories from the Mississippi's river towns and from watery sites all over the world are proof that large bodies of water are conductors of psychic energy Granted no concrete proof exists that there is a definite connection between the river and any actual ghosts or spiritual phenomena What is indisputable though is the fact that the ghost stories included in Ghosts

along the Mississippi River are an invaluable record of the values dreams fears and lives of the people who have called the river home Ozark Magic and Folklore Vance Randolph,1964-01-01 Relates the superstitions customs traditions and beliefs of the mountain people of the Missouri and Arkansas Ozarks **Historical Dictionary of Fantasy Literature** Allen Stroud,2023-06-12 Fantasy is both old and new In the ancient past stories of magic where supernatural creatures existed the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history religion and fact It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy the literature of the impossible and appreciate it for its craft and storytelling once more Historical Dictionary of Fantasy Literature Second Edition contains a chronology an introduction an extensive bibliography and cross referenced entries on more than 800 authors ranging across the entire historical spectrum More than 200 other entries describe the fantasy sub genres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies This book is an excellent resource for students researchers and anyone wanting to know more about fantasy literature
