The Fifth Avenue Story Society Rachel Hauck,2020-02-04 When five New Yorkers receive an anonymous mysterious invitation to the Fifth Avenue Story Society they suspect they re victims of a practical joke No one knows who sent the invitations or why No one has heard of the literary society And no one is prepared to reveal their deepest secrets to a roomful of strangers Executive assistant Lexa is eager for a much deserved promotion but her boss is determined to keep her underemployed Literature professor Jett is dealing with a broken heart as well as a nagging suspicion his literary idol Gordon Phipps Roth might be a fraud Uber driver Chuck just wants a second chance with his kids Aging widower Ed is eager to write the true story of his incredible marriage Coral queen of the cosmetics industry has broken her engagement and is on the verge of losing her great grandmother s multimillion dollar empire Yet curiosity and loneliness bring them back week after week to the old library And it s there they discover the stories of their hearts and the kind of friendship and love that heals their souls Sweet contemporary stand alone novel Book length approximately 100 000 words Includes discussion questions for book clubs

The Healing Tree Stephanie Rose Bird,2025-09-12 A beautiful blend of folklore botanical science acquired wisdom and spiritual guidance from the foreword by Luisah Teish If you want to learn about the reciprocal spiritual connection between humans and trees you re going to love this beautiful book Tess Whitehurst author of *The Magic of Trees* Reclaiming traditional botanical and herbal practices has never been more important than it is today So much of our future depends on our ability to use ancient earth knowledge In this crucially important book author Stephanie Rose Bird recounts the story of the sacred wood how to live in it learn from it and derive spiritual enrichment from it as well as how to preserve and protect it *The Healing Tree* offers functional accessible recipes remedies and rituals derived from a variety of African and African American traditions to serve mind body soul and spirit *The Healing Tree* celebrates the forest its powers spirits magic medicine and mysteries Bird shares how trees have provided her with personal healing then allows us to share in that process for our own benefit Bird s book follows her own personal journey but Africa is always her touchstone the persistent and tenacious ancestral mother wisdom and spiritual foundation that refuses to fade away *The Healing Tree* preserves this knowledge presenting it as relevant and viable and demonstrating in intimate detail how vestiges of that knowledge took root in the Western Hemisphere in African American culture and more broadly in American culture in general Previously published as *A Healing Grove* this updated edition includes a new preface by the author and a source guide for the botanicals discussed within

Stormy Weather William E. Connolly,2024-09-03 Composed as a counter history of western philosophical and political thought *Stormy Weather* explores the role western cosmologies have played in the conquests of

paganism in Europe and the Americas the production of climate wreckage and the concealment of that wreckage from western humanists and earth scientists until late in the day A lived cosmology Connolly says contains embedded understandings about the beginnings of the earth and the way time unfolds The text engages the major western cosmologies of Augustine Descartes Kant Tocqueville together with pagan and minor western orientations that posed challenges to them or could have Hesiod Ovid William Apess Amazonian and Aztec cosmologies Catherine Keller's minor Christianity James Baldwin and Michel Serres instigate key responses often challenging binary logics and the subject object dichotomy with a world of multiple human and nonhuman subjectivities Connolly pursues a conception of time as a multiplicity of intersecting temporalities to come to terms with the vicissitudes of climate destruction and the grandeur of an earth neither highly susceptible to mastery nor designed to harmonize smoothly with humans The book revisits the improbable necessity of a politics of swarming to respond to the ongoing wreckage and potential fascist responses to vast infusions of climate refugees from the south into temperate zone capitalist states Stormy Weather draws on the work of earth scientists indigenous thinkers naturalists humanists and students of nonwestern cosmologies Ultimately Connolly contends that critical intellectuals today must not remain enclosed in disciplinary silos or even in the humanities as currently defined to do justice to our moment of climate wreckage

Women Money Power Josie Cox, 2024-03-05 In *Women Money Power* financial journalist Josie Cox tells the compelling story of women s fight for financial freedom the social and political hurdles that have kept them from equality and the work that remains to be done A bold fascinating and hugely important book Unforgettable Jonathan Eig author of *King A Life* and *The Birth of the Pill* A necessary and riveting read Francesca Donner former gender director at the New York Times For

centuries women were denied equal access to money and the freedom and power that came with it They were restricted from owning property or transacting in real estate Even well into the 20th century women could not take out their own loans or own bank accounts without their husband s permission They could be fired for getting married or pregnant and if they still had a job they could be kept from certain roles restricted from working longer hours and paid less than men for equal work It was a raw deal and women weren t happy with it So they pushed back Women Money Power is an inspirational account of brave pioneers who took on social mores and the law including the Rosies who filled industrial jobs vacated by men and helped win WWII the heiress whose fortune helped create the birth control pill the brassy investor who broke into the boys club of the New York Stock Exchange and the namesake of landmark equal pay legislation who refused to accept discrimination But as any woman can tell you the battle for equality for money and power is far from over Cox delves deep into the challenges women face today and the culture and systems that hold them back This is a fascinating narrative account of progress women s lives and the work still to be done
