New York Observer While Richard Nixon's culpability for Watergate has long been established what's truly remarkable is that after almost fifty years conventional accounts of the scandal still don't address Nixon's motive Why was President Nixon willing to risk his reelection with so many repeated burglaries at the Watergate and other Washington offices in just a few weeks What motivated Nixon to jeopardize his presidency by ordering the wide range of criminal operations that resulted in Watergate What was Nixon so desperate to get at the Watergate and how does it explain the deeper context surrounding his crimes For the first time the groundbreaking investigative research in Watergate The Hidden History provides documented answers to all of those questions It adds crucial missing pieces to the Watergate story information that President Nixon wanted but couldn't get and that wasn't available to the Senate Watergate Committee or to Woodward and Bernstein This new information not only reveals remarkable insights into Nixon's motivation for Watergate but also answers the two most important remaining questions What were the Watergate burglars after And why was Nixon willing to risk his Presidency to get it Watergate The Hidden History reexamines the historical record including new material only available in recent years This includes thousands of recently declassified CIA and FBI files newly released Nixon tapes and exclusive interviews with those involved in the events surrounding Watergate ranging from former Nixon officials to key aides for John and Robert Kennedy This book also builds on decades of investigations by noted journalists and historians as well as long overlooked investigative articles from publications like Time magazine the Los Angeles Times and the New York Times **Last Resort**

Beyond Last Resort Walter Herbst, 2025-04-29 John F Kennedy was an embattled president He was consistently at odds with the Joint Chiefs the CIA the radical right and Fascist groups in America and Western Europe who considered him too weak to contain the spread of communism After the Cuban Missile Crisis the animosity for the young President grew as JFK cracked down on right wing Cuban exile groups in America by preventing them from running sabotage raids against the Cuban mainland Confusion reigned for at the same time Robert Kennedy was putting together a coalition of left wing Cuban exiles to launch a second invasion of Cuba at the end of 1963 Meanwhile a right wing Cuban exile group operating independently of the Kennedys was looking to assassinate JFK which they believed would be a catalyst to compel the United States to invade Cuba with its military in retaliation The plan could have worked because of Lee Harvey Oswald He was a Marxist and Castro supporter who had defected to the Soviet Union in 1959 had renounced his citizenship and had revealed military secrets to the Russians He allegedly tried to shoot right wing General Edwin Walker was a member of the pro Castro Fair Play for Cuba Committee and in the summer of 1963 he was arrested in New Orleans for handing out pro Castro literature in public He traveled to Mexico City and tried to reach Havana two months before the JFK assassination He wrote a letter to the Russian Embassy in Washington D C upon his return saying he used an alias while he was in Mexico He was measured as 5'9" tall during his autopsy which was two inches shorter than when he left the Marines four years before All this made him the perfect patsy to be used to justify a second invasion of Cuba So why didn't the United States invade Cuba after

the JFK assassination when they had the opportunity to do so once and for all The answer to that question is West Berlin the gateway to Western Europe and a city President Kennedy was determined to protect at all costs even if it meant sacrificing Cuba to the Communists And a second invasion of Cuba placed Berlin in jeopardy so it could not be allowed to happen Another group came together in the spring of 1963 made up of CIA right wing Cold War veterans like Allen Dulles James Angleton Henry Hecksher William Harvey and Tracy Barnes These men had fought the Nazis during World War but came to consider them the lesser of two evils compared to the Soviet Union when the war was over And they were hell bent on keeping communism out of Europe by any means possible For over a decade leading up to JFK s Presidency they had collaborated with ex Nazis European Monarchists and French military Fascists in the war against communism to keep Europe safe So it was not surprising that they all came together once again to assassinate President Kennedy not to justify an invasion of Cuba but to prevent that from occurring They knew that if a second invasion of Cuba were to happen the Soviets would take West Berlin which would almost certainly have led to World War III So as a Last Resort Beyond Last Resort this group inevitably concluded that the only choice they had was to remove JFK from power before it was too late And mixed up in the middle of it all was Lee Harvey Oswald

JFK - The Conspiracy and Truth Behind the Assassination John Hughes-Wilson,2023-10-26 The killing of US President John F Kennedy in Dallas Texas in November 1963 sent a shockwave around the world The charismatic young Democrat was seen as a beacon of hope in the West but his liberal reforming policies had made him many powerful enemies at home For sixty years numerous theories have swirled around this key event in American and world history Yet whatever the conclusions of the official Warren Report that the President had been assassinated by a lone gunman Lee Harvey Oswald many people doubt that to be true Indeed President Nixon later admitted on tape that the report was a hoax committed on the American people John Hughes Wilson a former colonel in British Intelligence has sifted through the millions of words and thousands of pieces of evidence to put together an intelligence assessment of what really happened that dreadful high noon in Dallas in 1963 John Hughes Wilson highlights the facts behind why Marilyn Monroe had to be silenced LBJ s corrupt secrets the Kennedys secret Cuban coup plans how the Mafia manipulated politicians and the CIA and how the assassination was covered up Reading this astounding book no one can be in any doubt that JFK s death was not at the hands of a lone deranged gunman but a deadly plot to remove a President who threatened vested interests at home and abroad

Honest Answers about the Murder of President John F. Kennedy Vincent Michael Palamara,2021-03-19 Thousands of books and articles have been written about the murder of JFK many of which are large in volume and short on facts Quite often these works try to reinvent the wheel attempting to cover every single area of the assassination as well as many tangential and unessential points as well The reader is often left exhausted and confused The sheer volume of pages conflicting facts and theories leaves one unsatisfied and quite frankly not sure exactly what did happen on 11 22 63 This book seeks to separate the wheat from the chaff It is 55 plus years later it is time for real honest

McGovern, 2018-05-04 Perhaps no one's death has stirred more interest controversy and theories than Marilyn Monroe's August 4 of 1962 In Murder Orthodoxies author Donald R McGovern analyzes and examines the many theories that Monroe was murdered by a host of curious characters from the middle Kennedy brothers to brutal gangsters to aliens McGovern separates fact from fiction and theory from outlandish rumor He addresses and debunks the usual allegations related to Monroe's death the secrets recorded in her little red diary her scheduled whistle blowing press conference the murder plots by organized crime and the brothers Kennedy and the fatal injection of drugs along with many others In Murder Orthodoxies McGovern restores logic and sanity to the investigation of Monroe's death His thesis is based upon the premise that the engines of conspiracies are started and fueled by opinion not by facts His credible conclusions are based on logic science toxicology and forensic evidence **See No Evil** Jim DeBrosse, 2018-03-29 After more than fifty years of new evidence and new theories the Warren Commission's claim that Lee Harvey Oswald acted alone and without clear motive in assassinating John F Kennedy has become a wheezing jalopy running on missing and broken parts and fueled with lies And yet the U S media continue to support its findings as the only factual explanation for the murder of JFK Why does the media marginalize and even ridicule more plausible conspiracy theories when the majority of American people long ago wrote off the Warren Report as a cover up See No Evil analyzes the built in biases of the U S corporate media exposes its complicity in the whitewashing and advocates for the broadest possible investigation into the key players who may have been responsible for the Crime of the Twentieth Century including the CIA Organized Crime and Israel This book is meant for readers who seek the truth no matter where it leads **The Assassination of JFK** Robert A. Wagner, 2017-03-07 The Assassination of JFK Perspectives Half a Century Later is the result of a reconciliation of widely divergent views of the assassination and who was responsible For more than fifty years the JFK assassination has ignited impassioned argument from those who believe the Warren Commission's conclusion that one man Lee Harvey Oswald acted alone in killing President John F Kennedy and those who believe that the assassination was spearheaded by the KGB Castro the mob anti Castro revolutionaries the military complex the CIA or even Kennedy's successor Lyndon Baines Johnson to name only a few The conspiracy theories are almost too numerous to list and even include the fervent belief that Kennedy's body was stolen prior to autopsy on the very evening of the assassination for the purpose of doctoring the body to frame Oswald Bob Wagner digs into the enormous record of the assassination created by two government investigations and thousands of books and articles written by investigators researchers and historians Bob describes the divergent views as being akin to two groups dividing the pieces of a jigsaw puzzle in half and attempting to produce complete pictures with their incomplete pieces Once all the puzzle pieces are

organized and properly fit together however as Bob's painstaking work shows a real picture emerges and the truth comes into focus Bob thoroughly reviews the head spinning morass of fact conjecture and conspiracy theories regarding the assassination of JFK and makes them understandable to those knowing little about the assassination much less all of the conspiracy theories that abound The Assassination of JFK Perspectives Half a Century Later presents the clearest case against Arlen Specter's infamous single bullet theory while also demonstrating why it is clear that Lee Harvey Oswald fired the only shots in Dealey Plaza on November 22 1963 Visit JFKassassinationperspectives.com for more information and to comment

Burying the Lead Mal Jay Hyman, 2019-03-01 The Cold War ushered in a time of secrecy and willing media cooperation to keep those secrets But even after winning that war the vault of secrets remains firmly locked especially surrounding John F Kennedy's murder Even for those who fundamentally oppose the current presidential administration notions of a national security state and fake news must be examined to maintain a functional democracy This book explains the rapid decline in confidence in government that started after the assassination of JFK The mainstream media failed to go beyond repeating the official story and by 1991 they along with academe and the government had stopped investigating altogether It was filmmaker Oliver Stone whose film fueled public outrage and led to the JFK Act to declassify all of the remaining documents Almost four million pages of documents were then released that even Congress had not yet seen The JFK Act stated that all files must be released by October 2017 yet thousands are still withheld on the grounds of national security This volume examines the tight alliances that have allowed this cover up for more than 50 years President Kennedy declared in October 1963 that men who create power make an indispensable contribution to a nation's greatness but the men who question power make a contribution just as indispensable especially when they are disinterested for they determine whether we use power or power uses us

Propp, 2012-11 Thomas Anderson has just graduated from CSU Stentoria with his degree in Political Science It s an election year and as a young progressive in California who has been raised by equally progressive parents he is very much concerned with the political issues currently being discussed in the mass media A chance encounter with a fellow graduate named Kelly Kelso

however shakes up his settled view of the world. He is challenged to examine the rising number of alternatives to the two party system presented by third party movements such as the Libertarian Party and the Green Party and is forced to acknowledge that there is far more to politics than simply Democrat versus Republican and liberal versus conservative. Thomas delves energetically into not only the growing Libertarian movement but the free market perspective of the Austrian School of economics as well as the rigid yet compelling view of Ayn Rand's philosophy of Objectivism. His explorations grow wider now encompassing the Tea Party movement and the Christian Right tax resisters and gun rights advocates survivalists and militia members anarchists communists and Democratic Socialists as well as the Occupy Wall Street movement. He debates the radical environmental views of animal welfare and animal rights advocates and challenges opponents of corporate globalism as well as deniers of global warming as he struggles to reformulate and articulate his own developing beliefs while coping with a sea of conflicting ideas and opposition. But this abstract political theory is brought into sharp encounter with concrete political reality when Thomas hears a news report of an armed conflict with authorities taking place just outside of town involving someone with whom he has become emotionally involved.

Dallas 50 Years On: The Murder of John F. Kennedy Blaine Taylor, 2014-03-27. JFK had won the Presidency in 1960 by a razor thin majority and his re-election campaign for 1964 was expected to be as close. He began it in November 1963 with a kick off multi city four day swing across the important state of Texas. It was going unexpectedly well when shots were fired into his triumphant motorcade in downtown Dallas that ripped history apart changing it forever. The assassination of American President John F. Kennedy in 1963 came at the very height of both the Cold War following the Second World War and the Pax Americana that was thought to exist at the war's conclusion in 1945. The United States and its allies possessed a far greater number of nuclear weapons than their Soviet adversaries but the latter could unleash World War 3 and a nuclear Armageddon that would destroy them all. The sudden and totally unexpected murder in broad daylight in an American city of one of the most popular presidents in history was the murder mystery of the 20th century. The Cold War could have become hot and nuclear within minutes. The murderer had to be found and vital questions had to be answered quickly. Who did it why and who ordered Kennedy's assassination. Was the deed part of a conspiracy foreign domestic or both. Were none of these questions part of the bloody puzzle and was it entirely possible that only one man was responsible. The questions remain to this very day and Dallas Fifty Years On: The Murder of John F. Kennedy reveals sensational new evidence eyewitness accounts and top secret documentation.
