A person wearing a vibrant red hooded cloak stands with their back to the camera in the center of a long, dimly lit hallway. The hallway features a series of large, rounded arches supported by stone pillars. The floor is decorated with a complex, repeating geometric pattern in shades of grey and black. At the far end of the hallway, a large, ornate stone archway is visible, through which some light is streaming. The overall atmosphere is mysterious and dramatic.

The Hidden Princess Cara Coe, 2015-06-03 For two hundred years the five kingdoms have lived separately To keep the balance no inhabitants are allowed to cross into another kingdom To do so is to be charged as a spy At only thirteen Princess Amelie of Candor developed the power of persuasion she can seduce men to do her bidding Unable to suppress her magic and affecting the males in the palace she is sent away to live in a small convent of nuns Time and seclusion eventually has rumors circulating around the princess s disappearance It isn t until years later when assassination attempts threaten the royal family that she is brought back in secret to use her unusual skills to gather information Her mission sends her into dangerous territory into the neighboring kingdom of Draeden A run in with one of their princes results in her capture and she is taken in to Draeden s palace to stand trial But there s a lot more on the line than she could have ever known Somewhere along the way she falls for the prince and her heart which she never thought could beat for someone else is suddenly her biggest risk of all Prince Seth has been immune to magic since he was young which suits him because he dwells in the kingdom of Draeden where powers are forbidden Even so when he learns that underground mages in his kingdom are disappearing he and a band of his soldiers are determined to investigate When he stumbles across a spy from Candor with the power to seduce men her magic has no affect on him But the woman underneath the magic the woman he comes to know reins him in with a power far greater than any mage could produce What becomes of two enemies that fall in love
