A Novel

The Honorary Consul By Graham Greene

Pierre Joannon

The Honorary Consul By Graham Greene:

The Honorary Consul Graham Greene, 2000-09-11 Relates the story of the politically motivated kidnapping of Charlie Fortnum a minor British functionary in Argentina **The Honorary Consul** Graham Greene, 2008-09-30 Set in a provincial Argentinean town this novel takes place in that bleak country of exhausted passion betrayal and absurd hope that Graham Greene has explored so precisely in such novels as *The Power and the Glory* and *The Comedians* **The Honorary Consul**, 1980 The Honorary Consul - based on the novel by Graham Greene, 1989 *The Honorary Consul* Graham Greene, 1985 Set in a provincial Argentinean town *The Honorary Consul* takes place in that bleak country of exhausted passion betrayal and absurd hope that Graham Greene has explored so precisely in such novels as *The Power and the Glory* and *The Comedians* On the far side of the great muddy river that separates the two countries lies Paraguay a brutal dictatorship shaken by sporadic revolutionary activity on the near side a torpid city whose only visible cultural institution is a brothel The foreigners of the city are refugees each washed up on the banks of the Parana by some inner disaster or defeat Dr Eduardo Plarr a physician whose English father has vanished into a Paraguayan prison and for whom caring is the only dangerous thing Humphries a teacher of English who has touched bottom and accepted it Charley Fortnum the Honorary Consul who at the age of sixty one sustained by drink and his disputed status as British Consul still retains enough hope and illusion to marry a twenty year old girl from Senora Sanchez brothel With gathering force Graham Greene draws his characters into the political chaos that lies beneath the surface of South American life Fortnum is kidnapped by Paraguayan revolutionaries who have mistaken him for the American Ambassador Realizing their error they threaten to execute him anyway if their demands are not met Plarr torn between his instinctive feeling for the revolutionaries one of whom is an old friend and his ambiguous relationship with Fortnum whose wife he has taken as a lover becomes involved in a tragicomedy that leads inexorably to a meaningless death At the center of *The Honorary Consul* is Plarr a brilliant Graham Greene creation perhaps the most moving and convincing figure in his fiction Plarr is a man so cut off from human feeling so puzzled by the emotional needs of men like Fortnum that he is paradoxically vulnerable chillingly exposed and required in the end Copyright Libri GmbH All rights reserved The Honorary Consul Graham Greene, 1984 *The Honorary Consul. [Novel]. (Repr.)*. Graham Greene, 1979

A Structural Analysis of The Honorary Consul by Graham Greene Rudolf E. van Dalm, 1999 Is Graham Greene really the great novelist we think he is In what way did he succeed in keeping his readership spellbound What was the driving force behind his so called Catholicism Was there a special reason for him to call *The Honorary Consul* his favourite book Why is clock time such a matter of great concern to those who otherwise believe the book to be his greatest And is there any reason for calling his characters empty or full and anything in between instead of just defining them flat or round The answers to these and many other intriguing questions are to be found in this captivating analysis of *The Honorary Consul* by Rudolf E van Dalm Instead of being only a study on Graham Greene it has turned out to be a fascinating report on

what makes Greene such an absorbing writer One of the most gripping publications on the famous British author on the eve of the millennium the book is both entertaining and instructive

The Honorary Consul: a Typescript; with Contracts for Film and Publication Rights to Other Works by Graham Greene Graham Greene,1935 Comprises 1 A typescript of Greene s novel The honorary consul dated September 1969 to September 1972 2 Contracts for the translation reprinting and film rights to a number of Greene s works accompanied by some statements of sales statements of royalties earned manuscript notes and related correspondence Works covered include Stamboul train It s a battlefield A gun for sale Brighton rock The lawless roads The confidential agent The power and the glory The ministry of fear The heart of the matter The third man and The end of the affair

A Common Spring Nadya Aisenberg,1979 Nadya Aisenberg discusses the potentialities of the crime novel its implications principles and scope and its analogy of myth and the fairy tale She proposes that the detective story and the thriller have made an unacknowledged contribution to serious literature Her discussion of Dickens Conrad and Green indicate that each borrowed many important ingredients from the formulaic novel

Twentieth Century Literature in English Ed. Manmohan K. Critical Analysis of Fiction Jean Jacques Weber,2021-11-15 Graham Greene, Ireland and the Honorary Consul Pierre Joannon,2024 This is a personal memoir providing original information on Greene his sources of inspiration and his interest in Ireland North and South

Conversations with Graham Greene Graham Greene,1992 This collection of

seventeen interviews covers fifty years Here the eminent author of *The Power and the Glory* *The Third Man* and *The Heart of the Matter* speaks of himself his life and his works Though reluctant to be interviewed especially by an academic or journalist he did not know Greene was more at ease in an interview with a personal friend who he felt would be less likely to misunderstand or misquote him Yet even his good friend V S Pritchett spent considerable time trying to pin him down for his 1978 interview When he finally did arrange an interview Pritchett tells that Greene s flat conspiratorial laughing voice of itself makes him the best company I ve known in the last forty years Other interviewers included here are V S Naipaul and Penelope Gilliatt shared Pritchett s opinion but many found that he avoided idle conversation for fear that his words would be misconstrued Greene s anxiety was not without foundation In an interview with Michael Menshaw Greene explained It s got so I hate to say who I am or what I believe A few years ago I told an interviewer I m a gnostic The next day s newspaper announced that I had become an agnostic After such incidents Greene turned to the anecdote relating an experience with Fidel Castro or with Papa Doc Duvalier to communicate in interviews with strangers Nevertheless in all the interviews Greene granted over the years the reader hears very clearly the voice of a man whose conversation is as painfully honest and unpretentious as is his written prose The interviews here are divided chronologically into four periods loosely related to his subject matter or to his reputation at the time of the interview Thus the reader sees the development of the writer from a callow but gifted young man into one of the foremost men of letters in the English speaking world

Routledge Revivals: God, Literature and Process Thought (2002) Darren Middleton, 2018-02-01 Originally published in 2002 *God Literature and Process Thought* looks at the use of God in writing as a part of the creative advance immersed in the processes of reality and affected by events in the world This edited collection outlines and promotes the novel view that there is much to be gained when those who value the insights of process thought encounter the many and varied writers of literature and literary theory It also celebrates the notion of process poesis a fresh way of reflecting theologically and philosophically that takes account of literary forms and promises to transform creatively the very structure of process thought today

British Terrorist Novels of the 1970s Joseph Darlington, 2018-04-19 This book discusses British novels published during the 1970s which feature terrorists either as main characters or a major plot points The focus on terrorism s literary depiction provides insight into the politics of the decade The book analyses texts from Gerald Seymour Anthony Burgess V S Naipaul Graham Greene Doris Lessing B S Johnson Tom Sharpe and Eric Ambler among others in order to engage with the IRA the end of Empire counterculture and environmentalism The book provides a brief history of terrorism as a concept and tactic before discussing British literature s relationship with terrorism It presents a standard terrorist morphology by which to analyse terrorist narratives along with other insights into the British post war imagination writing and extremism

Ritual and the Idea of Europe in Interwar Writing Patrick R. Query, 2016-04-08 While most critical studies of interwar literary politics have focused on nationalism Patrick Query makes a case that the idea of Europe intervenes in instances when the individual and

the nation negotiate identity He examines the ways interwar writers use three European ritual forms verse drama bullfighting and Roman Catholic rite to articulate ideas of European cultural identity Within the growing discourse of globalization Query argues Europe presents a special though often overlooked case because it adds a mediating term between local and global His book is divided into three sections the first treats the verse dramas of T S Eliot W B Yeats and W H Auden the second discusses the uses of the Spanish bullfight in works by D H Lawrence Stephen Spender Jack Lindsay George Barker Cecil Day Lewis and others and the third explores the cross cultural impact of Catholic ritual in Graham Greene Evelyn Waugh and David Jones While all three ritual forms were frequently associated with the most conservative tendencies of the age Query shows that each had a remarkable political flexibility in the hands of interwar writers concerned with the idea of Europe

The Honorary Consul By Graham Greene Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**The Honorary Consul By Graham Greene**," published by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
