One of the Loaves Was Yours John J. Brugaletta, 2020-10-15 One of the Loaves Was Yours almost always finds a way to make its meanings as clear as

possible But that is only one element in its success These poems also communicate with a healthy dash of images usually the lifeblood of poetry that pleases It is not an easy thing to accomplish but the author has done it This book also offers a majority of poems that both scan and rhyme an added handicap for a poet but one that he seems to delight in Besides as Robert Frost once said writing poetry without rhyme is like playing tennis without a net
