The Secret Barrister The Secret Barrister, 2018-03-22 An anonymous barrister offers a shocking, darkly comic and very moving journey through the legal system and explains how it's failing all of us. The Sunday Times number one bestseller. Winner of the Books My Bag Non-Fiction Award. Shortlisted for Waterstones Book of the Year. Shortlisted for Specsavers Non-Fiction Book of the Year. You may not wish to think about it, but one day you or someone you love will almost certainly appear in a criminal courtroom. You might be a juror, a victim, a witness, or perhaps through no fault of your own, a defendant. Whatever your role, you'd expect a fair trial. I'm a barrister. I work in the criminal justice system, and every day I see how fairness is not guaranteed. Too often, the system fails those it is meant to protect. The innocent are wronged, and the guilty allowed to walk free. In *The Secret Barrister: Stories of the Law and How It's Broken*, I want to share some stories from my daily life to show you how the system is broken, who broke it, and why we should start caring before it's too late. A Sunday Times top ten bestseller for twenty-four weeks. Eye-opening, funny, and horrifying. Observer. Everyone who has any interest in public life should read it. Daily Mail. *Football's Tallest Tales* Bryan Gibson, 2023-10-18 Bryan Gibson grew up watching football, wishing he was on the pitch rather than in the crowd. After securing a trial at a well-known club, he was thrilled to be called into the manager's office only to be asked: What would you do if you weren't to play football? Part fact, part fiction, and inspired by the author's calamitous attempts to become a professional, *Football's Tallest Tales* spans every aspect of The Beautiful Game and tells of the many fascinating characters he met along the way. The book includes a madcap reinvention of soccer that introduces readers to such fictional legends of football as Stanley Accrington Betty Skyrocket and over-zealous supporter Hyam Keenbitches. Covering every aspect of the game, including the invention of Dragon Grease, an indispensable aid to the gestation of women's football, the demise of the annual Goalkeepers' Convention, and other stories, *Football's Tallest Tales* also homes in on such farcical real-life muses as the cricket teacher who morphed into the umpire Dickie Bird, Herman the German of Bayern Munich FC, and Sandy Soot, football angel turned chimney sweep who showed the author how to take the perfect penalty kick. Featuring many present-day football clubs, players, and comical events, as well as explaining such mysteries as why Barnsley FC supporters are all poets, playwrights, and performers, a totally original super-spoof, the ideal gift for any football fan. Reviews: The runaway best-seller that upped and ran away. Radio Water Bottle. If you want to know how footballs came to be round, not square, this book contains all you need to know. Anon.
