War remains an open question Many scholars believe that there is a historical core to the tale though this may simply mean that the Homeric stories are a fusion of various tales of sieges and expeditions by Mycenaean Greeks during the Bronze Age Those who believe that the stories of the Trojan War are derived from a specific historical conflict usually date it to the 12th or 11th century BC often preferring the dates given by Eratosthenes 1194 1184 BC which roughly correspond to
