Tally O Malley:

Tally O'Malley Stuart J. Murphy,2004-09-14 The O Malleys are off to the beach But it s a long hot boring drive What can Eric Bridget and Nell do to keep busy Play tally games of course counting up all the gray cars or green T shirts they see Whoever has the most marks at the end wins the game Eric wins the first game Bridget wins the second It seems like poor Nell will never win a game But Nell has the luck of the Irish on her side and a surprise in store for her big brother and sister

Tally O'Malley Stuart J. Murphy,2004-09-01 As the O Malley children play games on a car trip to the beach the reader is introduced to counting through tallying Tally O'Mally Stuart J. Andy McCue,2014-05-01 One of the most influential and controversial team owners in professional sports history Walter O Malley 1903 79 is best remembered and still reviled by many for moving the Dodgers from Brooklyn to Los Angeles Yet much of the O Malley story leading up to the Dodgers move is unknown or created from myth and there is substantially more to the man When he entered the public eye the self constructed family background and early life he presented was gilded Later his personal story was distorted by some New York sportswriters who hated him for moving the Dodgers In *Mover and Shaker* Andy McCue presents for the first time an objective complete and nuanced account of O Malley s life He also departs from the overly sentimentalized accounts of O Malley as either villain or angel and reveals him first and foremost as a rational hardheaded businessman who was a major force in baseball for three decades and whose management and marketing practices radically changed the shape of the game Tally Charts Sherra G.
