Seafood Lovers' Guide Rick Stein, 2019-06-06 Rick and Chalky his trusty dog discover great seafood dishes and small delicacies amongst the tidal estuaries shingle banks and rocky shores of Britain Rick travels from the bleak Suffolk coast where fishermen scrape a living catching cod to the wild clear waters of Scotland's lochs bringing back an abundance of stories and imaginative colourful recipes The book is organised geographically with each chapter covering one of the regions featured in the BBC series Rick describes the fish catching and fish eating traditions of each area as well as details of the local life legends and literature He singles out local delicacies and includes six to eight fish and seafood recipes per chapter Each chapter is illustrated with stunning food and landscape photography and ends with an area map and a guide to a small selection of the best hotels restaurants pubs and specialist suppliers including information on extra locations not featured in the series Just as I do in the restaurant to keep ahead of the game I look for the best suppliers the freshest fish and who catches them In a way this is what this series is about the fish I love for all sorts of reasons not just taste or fashion where

they come from and the people who catch them and the best way to cook them As a result of looking around the country for the best seafood it s turned out to be a love affair with the changing coastline of Great Britain and Ireland and the business of going to sea in small boats to catch the freshest prime fish we have Rick Stein **The British National Bibliography**

Arthur James Wells,2009 *Memory Ireland* Oona Frawley,2012-03-29 In the second volume of a series that will ultimately include four the authors consider Irish diasporic memory and memory practices While the Irish diaspora has become the subject of a wide range of scholarship there has been little work focused on its relationship to memory The first half of the volume asks how diasporic memory functions in different places and times and what forms it takes on As an island nation with a history of emigration Ireland has developed a rich diasporic cultural memory one that draws on multiple traditions and historiographies of both home and away Native traditions are not imported wholesale but instead develop their own curious hybridity reflecting the nature of emigrant memory that absorbs new ways of thinking about home How do immigrants remember their homeland How do descendants of immigrants remember a land they rarely visit How does diasporic memory pass through families and how is it represented in cultural forms such as literature festivals and souvenirs In its second half this volume shifts its attention to the concept of memory practices ways of cultural remembering that result from and are shaped by particular cultural forms Many of these cultural forms embody memory materially through language music and photography and because of their distinctive expressions of culture give rise to distinctive memory practices Gathering the leading voices in Irish studies this volume opens new pathways into the body of Irish cultural memory demonstrating time and again the ways in which memory is supported by the negotiations of individuals within wider cultural contexts
