Immeasurable Outcomes Gayle Greene, 2023-01-17 What is the purpose of education The answer might be found in a Shakespeare class at a small liberal arts college In this engaging account of teaching a Shakespeare class at a small liberal arts college Gayle Greene illustrates what is so vital and urgent about the humanities Follow along with Greene as she introduces us to her students and showcases their strengths needs and vulnerabilities so we can experience the magic of her classroom In Immeasurable Outcomes Greene's class builds a complex human ecosystem that pushes students to think more deeply and discover their own interests and potential all while recognizing the inherent dignity in other people's views and values Grounding her analyses in half a century of teaching Greene pushes back against the demand for measurable student learning outcomes and the standardization imposed on K-12 schools in the name of reform Instead she draws her conclusions about education directly from the students themselves Alumni testimonials describe the transformative power of a liberal arts education recounting how their experience of community and engagement has provided them the tools to navigate the uncertainties of a rapidly changing world while also inspiring the social awareness our democracy depends on Immeasurable Outcomes rejects claims that the liberal arts are impractical exposing the political agendas of technocrats and ideologues who would transform higher education into vocational training and programs focused only on profitability Greene reminds us that the liberal arts have been the basis for the most successful educational system in the world and provides a powerful demonstration that education at a human scale that is relationship rich and humanities based should be the model for education in the future

Questions and Answers in the English Courtroom (1640-1760) Dawn Archer, 2005-06-22 This book belongs to the rapidly growing field of historical pragmatics More specifically it aims to lend definition to the area of historical sociopragmatics It seeks to enhance our understanding of the language of the historical courtroom by documenting changes to the discursive roles of the most active participant groups of the English courtroom e.g. the judges lawyers witnesses and defendants in the period 1640-1760 Although the primary focus is on questions and answers this book also analyses the use of eliciting and non-eliciting devices e.g. requests and commands as a means of demonstrating

similarities and differences over time Particular strengths of this work include the study of different types of trial making the results potentially more representative of the courtroom in general and the innovative discourse analytic approach which blends corpus methodology and sociopragmatic analysis thereby enabling the quantitative analysis of functional phenomena

Rescripting Shakespeare Alan C. Dessen, 2002-06-20 Building on almost 300 productions from the last 25 years this 2002 book focuses on the playtexts used when directors stage Shakespeare's plays the words spoken the scenes omitted or transposed and the many other adjustments that must be made Directors rescript to streamline the playscript and save running time to eliminate obscurity conserve on personnel and occasionally cancel out passages that might not fit their concept They rewrite when they make more extensive changes moving closer to the role of playwrights as when the three parts of Henry VI are compressed into two plays Alan Dessen analyzes what such choices might exclude or preclude and explains the exigencies faced by actors and directors in placing before today's audiences words targeted at players playgoers and playhouses that no longer exist The results are of interest and importance as much to theatrical professionals as to theatre historians and students
