Taras Bulba and Other Tales Nikolai Vasilievich Gogol, 2016-01-06

INTRODUCTION Russian literature so full of enigmas contains no greater creative mystery than Nikolai Vasilievich Gogol 1809-1852 who has done for the Russian novel and Russian prose what Pushkin has done for Russian poetry Before these two men came Russian literature can hardly have been said to exist It was pompous and effete with pseudo classicism foreign influences were strong in the speech of the upper circles there was an over fondness for German French and English words Between them the two friends by force of their great genius cleared away the debris which made for sterility and erected in their stead a new structure out of living Russian words The spoken word born of the people gave soul and wing to literature only by coming to earth the native earth was it enabled to soar Coming up from Little Russia the Ukraine with Cossack blood in his veins Gogol injected his own healthy virus into an effete body blew his own virile spirit the spirit of his race into its nostrils and gave the Russian novel its direction to this very day More than that The nomad and romantic in him troubled and restless with Ukrainian myth legend and song impressed upon Russian literature faced with the realities of modern life a spirit titanic and in clash with its material and produced in the mastery of this every day material commonly called sordid a phantasmagoria intense with beauty A clue to all Russian realism may be found in a Russian critic's observation about Gogol Seldom has nature created a man so romantic in bent yet so masterly in portraying all that is unromantic in life But this statement does not cover the whole ground for it is easy to see in almost all of Gogol's work his free Cossack soul trying to break through the shell of sordid to day like some ancient demon essentially Dionysian So that his works true though they are to our life are at once a reproach a protest and a challenge ever

Jack, 2011-06 Two years ago Wilson left his old boss alive in exchange for a clean slate keeping up his end of the bargain and staying off the grid Then thousands of miles from the city he once escaped a man comes calling on Wilson with a gun in hand and a woman in his trunk Wilson is pulled back into his old life as a grinder to work under the radar to quietly find out who is responsible for a dangerous mobster's missing nephews and this time all bets are off *Repetition and Creation* Radosvet Kolarov, 2020-12-29 This book advances the notion of autotextuality the dialogue between works in an author's oeuvre and the ways in which new texts are created in self repetition through the tracing and revisiting of past texts and the subsequent uncovering of undisclosed meanings unexhausted constructive principles and alternative versions Kolarov draws on cognitive models such as dual coding theory and conceptual blending to substantiate a theory of autotextuality and build on previous work on self repetition and difference to highlight the notion of discursive desire in which new meanings are generated through repetition and its distinct relationship to creativity Drawing on analyses of well established works in Bulgarian as well as the established oeuvres of such authors as Gogol Dostoevsky Kafka and Baudelaire the volume explores key themes in autotextuality such as the functions of creative memory the connections between word and image and the hermeneutic relationships and steps of transformation between texts This innovative work addresses topical questions of importance in literary theory today and will be of interest to students and scholars in literary studies and related areas of study within such fields as cognitive science quantum mechanics and psychology **Blood and Salt** Barbara Sapergia, 2012-08-01 The central character Taras Kalyna has run away from the Austrian army on the brink of World War I to follow his love Halya to Canada He can't know how hard it will be to find her again or that his search will be interrupted by two years in what some have called Canada's Gulag Because Ukrainians come from Austrian ruled territories they will be classed as enemy aliens and confined behind barbed wire in internment camps Not every single Ukrainian the emphasis was on the unemployed the political such as union activists and people who were in somebody's way The novel involves class relations Halya's ambitious father gets her a job as companion to a rich woman Louisa Shawcross Louisa is the mother of Ronnie Shawcross Taras's boss at the small town brick plant and he falls in love with Halya Taras becomes a person in his way Ronnie denounces him to the police By the end of the story Taras and Halya do come together again Taras has come to love the southern Saskatchewan landscape and raises horses like the one he saw in a dream as a young man in the old country Storytelling is an important element To explain why he'll never return to the old country Taras begins a tale
