of sortilege He also reveals how the identities of the court cards in the Minor Arcana were derived from a blend of pagan and medieval sources that strongly influenced their interpretation in tarot divination Publisher marketing **Tarot de Marseille by Jodorowsky** . The Way of Tarot Alejandro Jodorowsky,Marianne Costa,2009-11-17 Filmmaker Alejandro Jodorowsky s insights into the Tarot as a spiritual path Works with the original Marseille Tarot to reveal the roots of Western wisdom Provides the key to the symbolic language of the Tarot s nomadic cathedral Transforms a simple divination tool into a vehicle for self realization and healing Alejandro Jodorowsky s profound study of the Tarot which began in the early 1950s reveals it to be far more than a simple divination device The Tarot is first and foremost a powerful instrument of self knowledge and a representation of the structure of the soul The Way of Tarot shows that the entire deck is structured like a temple or a mandala which is both an image of the world and a representation of the divine The authors use the sacred art of the original Marseille Tarot created during a time of religious tolerance in the 11th century to reconnect with the roots of the Tarot s Western esoteric wisdom They explain that the Tarot is a nomadic cathedral whose parts the 78 cards or arcana should always be viewed with an awareness of the whole structure This understanding is essential to fully grasp the Tarot s hermetic symbolism The authors explore the secret associations behind the hierarchy of the cards and the correspondences between the suits and energies within human beings Each description of the Major Arcana includes key word summaries symbolic meanings traditional interpretations and a section where the card speaks for itself Jodorowsky and Costa then take the art of reading the Tarot to a depth never before possible Using their work with Tarology a new psychological approach that uses the symbolism and

optical language of the Tarot to create a mirror image of the personality they offer a powerful tool for self realization creativity and healing

A Cultural History of Tarot Helen Farley,2009-08-13 The enigmatic and richly illustrative tarot deck reveals a host of strange and iconic mages such as The Tower The Wheel of Fortune The Hanged Man and The Fool over which loom the terrifying figures of Death and The Devil The 21 numbered playing cards of tarot have always exerted strong fascination way beyond their original purpose and the multiple resonances of the deck are ubiquitous From T S Eliot and his wicked pack of cards in The Waste Land to the psychic divination of Solitaire in Ian Fleming s Live and Let Die and from the satanic novels of Dennis Wheatley to the deck s adoption by New Age practitioners the cards have in modern times become inseparably connected to the occult They are now viewed as arguably the foremost medium of prophesying and foretelling Yet as the author shows originally the tarot were used as recreational playing cards by the Italian nobility in the Renaissance It was only much later in the 18th and 19th centuries that the deck became associated with esotericism before evolving finally into a diagnostic tool for mind body and spirit This is the first book to explore the remarkably varied ways in which tarot has influenced culture Tracing the changing patterns of the deck s use from game to mysterious oracular device Helen Farley examines tarot s emergence in 15th century Milan and discusses its later associations with astrology kabbalah and the Age of Aquarius

The Esoteric Tarot Ronald Decker,2013-07-09 That the Tarot originated in ancient Egypt as a divinatory tool is a romantic misconception Ron Decker s meticulous scholarship will surprise practitioners and academics alike revealing the Tarot s true evolution and meanings as its inventor s understood it The Tarot consists of the Minor Arcana four suits of cards similar to our modern deck and the Major Arcana twenty two allegorical or trump cards Decker says the four suit deck was invented in Asia Minor before AD 1000 Italian courtiers added the trumps in the 1400s But Tarot was first used as a game Tarot divination was only created in the 1700s by a Parisian fortuneteller who based the trump images on Hermeticism which merges Greco Egyptian alchemy astrology numerology magic and mysticism Today the suit cards are often traced to the ancient Jewish Cabala But says Decker they too acquired their meanings only in the 1700s and he cites a lost numerical system based on Cabala at that time Decker s interpretation integrates three whole systems astrological arithmological mystagogical concerning initiation rites into the Mysteries His depth of knowledge makes the book a must have for serious students of Tarot and esotericism

The Fools Journey Alan Jones,2016-11-12 Of all the oracle systems in use today Tarot is arguably one of the better known 78 Cards 22 images which could be said to describe a journey through life and a further 56 which add people and textures to the main chapters of that adventure As someone who has been exploring the Tarot for several decades I can honestly say that it one of the most visually poetic embodiments of esoteric teachings available to the student of the arcane It is frequently misrepresented as simply an oracle and given an esoteric history which is firmly in the realms of the fairy tale but when understood it is a symbolic initiatory system which opens a doorway to spiritual exploration This book represents a way of taking a journey of self discovery and in the process

developing intuition and genuine insight **Rainbow of Tarot Cards** ,2017-06-20 This book is the result of continuous endeavor and research on Astrology by learned author with the intention of spreading his experience and knowledge among respectable readers this book will surely help new learners and people interested in Tarot Card to do exact and proper analysis without taking any outside help and by self learning they can take advantage of this magical method of astrology

Universal Tarot of Marseille Claude Burdel, Lee Bursten, 2006-02 The Universal Marseille Tarot takes us directly to the origin of tarot The highly sought after deck by Claude Burdel 1727-1799 originally rich with divinatory suggestion has been beautifully restored giving new energy to the ancient images and amplifying their symbolic meaning
