King, 2019-07-11 With culinary nationalism defined as a process in flux as opposed to the limited concept of national cuisine the contributors of this book call for explicit critical comparisons of cases of culinary nationalism among Asian regions with the intention of recognizing patterns of modern culinary development As a result the formation of modern cuisine is revealed to be a process that takes place around the world in different forms and periods and not exclusive to current Eurocentric models Key themes include the historical legacies of imperialism colonialism nationalism the Cold War and global capitalism in Asian cuisines internal culinary boundaries between genders ethnicities social classes religious groups and perceived traditions modernities and global contexts of Asian cuisines as both nationalist and internationalist enterprises and Asia itself as a vibrant culinary imaginary The book which includes a foreword from Krishnendu Ray and an afterword from James L Watson sets out a fresh agenda for thinking about future food studies scholarship

Chop Fry Watch Learn Michelle T. King,2024-05-07 A New York Times Book Review Editors Choice This delicious book is a must read for cooks and food lovers Lizz Schumer People A spirited new history of Chinese food told through an account of the remarkable life of Fu Pei mei the woman who brought Chinese cooking to the world In 1949 a young Chinese housewife arrived in Taiwan and transformed herself from a novice to a natural in the kitchen She launched a career as a cookbook author and television cooking instructor that would last four decades Years later in America flipping through her mother s copies of Fu Pei mei s Chinese cookbooks historian Michelle T King discovered more than the recipes to meals of her childhood She found in Fu s story and in her food a vivid portal to another time when a generation of middle class female home cooks navigated the tremendous postwar transformations taking place across the world In Chop Fry Watch Learn King weaves together stories from her own family and contemporary oral history to present a remarkable

argument for how understanding the story of Fu's life enables us to see Chinese food as both an inheritance of tradition and a truly modern creation influenced by the historical phenomena of the postwar era. These include a dramatic increase in the number of women working outside the home, a new proliferation of mass media, the arrival of innovative kitchen tools, and the shifting diplomatic fortunes of China and Taiwan. King reveals how and why, for audiences in Taiwan and around the world, Fu became the ultimate culinary touchstone, the figure against whom all other cooking authorities were measured. And Fu's legacy continues: Her cookbooks have become beloved emblems of cultural memory, passed from parent to child wherever diasporic Chinese have landed. Informed by the voices of fans across generations, King illuminates the story of Chinese food from the inside, at home around the family dinner table. The result is a revelatory work, a rich banquet of past and present tastes that will resonate deeply for all of us looking for our histories in the kitchen.

Compromissions Pierre Péan, 2015-04-08. Jeux, prostitution, trafic de drogue pour les parrains mafieux: la Corse est le paradis des affaires. Mais pour qu'elles prospèrent comme ils l'entendent, ils ont besoin du plus grand laxisme administratif doublé de la plus grande bienveillance policière et judiciaire. Ce qui explique d'une part les accointances du milieu avec des soutiens haut placés en métropole et d'autre part l'intrication du combat indépendantiste et des actions criminelles commanditées par des truands désireux d'asseoir leur mainmise sur l'île de Beauté. De la French Connection à l'assassinat du préfet rignac, des bases africaines de la mafia corse aux cercles de jeu parisiens, l'enquête de Pierre Péan retrace la guerre ouverte entre hors-la-loi et tenants de l'ordre républicain qui s'est vit depuis les années 1930. Un vrai thriller où les cadavres des victimes de règlements de comptes tiennent lieu de marque-pages.
