When she is granted the opportunity to pursue her lifelong dream of becoming an apothecary, Elloren is eager to join her brothers at the prestigious Verpax University and finally embrace a destiny of her own, free from the shadow of her grandmother's legacy. To save him, Enne will need to surrender herself to the city. **THE DIMINISHED** In the Alskad Empire, nearly all are born with a twin; two halves to form one whole. A rare few are singleborn in each generation and therefore given the right to rule by the gods and goddesses. Bo Troussillion is one of these few, born into the royal line and destined to rule. But when one twin dies, the other usually follows, unable to face the world without their other half. Those who survive are considered diminished, doomed to succumb to the violent grief that inevitably destroys everyone whose twin has died. Such is the fate of Vi Abernathy, whose twin sister died in infancy. Bo and Vi face very different futures: one a life of luxury as the heir to the throne, the other years of backbreaking work as a temple servant. But a long-held secret and the fate of the empire are destined to bring them together in a way they never could have imagined.
