to the event are the tourists who had been browsing the man's wares before his death: fake handbags of every designer label. The dead man was one of the many African immigrants purveying goods outside normal shop hours and trading without a work permit. Once Commissario Guido Brunetti begins to investigate this unfamiliar Venetian underworld, he discovers that matters of great value are at stake within the secretive society. And his boss's warning to avoid getting involved only makes Brunetti more determined to unearth the truth behind this mysterious killing. A stunning novel, an engrossing complex plot. Publishers Weekly starred review. The appeal of Guido Brunetti, the hero of Donna Leon's long-running Venetian crime series, comes not from his shrewdness though he is plenty shrewd nor from his quick wit. It comes instead from his role as an Everyman: his life is not so different from our own days at the office or nights around the dinner table. Crime fiction for those willing to grapple with rather than escape the uncertainties of daily life. Booklist Unto Us a Son Is Given Donna

Leon, 2020-03-17 For the 28th novel in Donna Leon's bestselling mystery series, the apparent indiscretion of an elderly family friend involves a reluctant Commissario Guido Brunetti until the sudden natural death of his friend sets in motion a murder.

Drawing Conclusions Donna Leon, 2011-04-05 A brilliant writer, an immensely likable police detective who takes every murder to heart. Marilyn Stasio, The New York Times Book Review. Late one night, Guido Brunetti is called away from dinner to investigate the death of a widow in her modest apartment. Though there are some signs of a struggle, the medical examiner rules that she died of a heart attack. It seems there is nothing for Brunetti to investigate. But he can't shake the feeling that something or someone may have triggered her heart attack: that perhaps the woman was threatened. Conversations with the woman's son, her upstairs neighbor, and the nun in charge of the old age home where she volunteered do little to satisfy Brunetti's nagging curiosity. And with the help of Inspector Vianello and the ever resourceful Signorina Elettra, he intends to get to the truth. One of her best. She has become a must-read for all those who favor character-driven crime stories. Booklist starred review. A wickedly entertaining series. Publishers Weekly *Beastly Things* Donna Leon, 2012-04-03 A New York Times bestseller. The police investigate the death of a veterinarian in Venice, Italy, in this swiftly paced mystery. The Seattle Times. When the body of a man is found in a canal, damaged by the tides, carrying no wallet and wearing only one shoe, Guido Brunetti has little to work with. No local has filed a missing person report, and no hotel guests have disappeared. The autopsy shows he had suffered from a rare disfiguring disease. A shopkeeper tells Brunetti that the man had a kindly way with animals. Finally, the victim is identified as a much-loved veterinarian, and Brunetti's quest to find the killer will take him on a harrowing journey. All her trademark strengths shine in this swiftly paced, sophisticated tale of greed versus ethics. The Seattle Times. Written with such delicacy and emotional force that we can't help but be reminded of Greek tragedy. Booklist starred review **Friends in High Places** Donna Leon, 2009 Commissario Brunetti is visited by a young bureaucrat investigating the lack of official approval for the building of the apartment. But then the bureaucrat is found dead.
