The Good Mans Son:

The Good Man's Son Alexander Rebelle,2015-06 John Dumont is the first independent presidential candidate to ever have a commanding lead in the polls by mid October of an election year With nearly sixty percent of the voting population behind him he arrives in Boston both for the final presidential debate of the campaign and to visit his son But as the actions and the choices of his son abruptly become the focus of attention across the country John finds his campaign in the midst of a crisis and his lead in the polls begins to shrink more and more with each passing day In order to win the election John will have to take control of the situation but can he do it without damaging the bond that he shares with his family John must choose to either interfere with the delicate balance in the newfound happiness of his son s life or do something that would seem impossible convince the public to accept his son just as he has John is a father that would sacrifice anything he has for his son but will it cost him the election The Good Man A. S. Kelly,2021-12-08 Once upon a time there was a solitary

grumpy man who would spend his days watching the world around him without ever attracting any attention to himself Once upon a time there was a man who stood aside imagining he could live someone else s life and dreaming of something which would never be his yet he wasn t ready to give it up Once upon a time there was a man who loved a woman His only wish was to watch her achieve her dreams without knowing that the only dream she ever wanted to achieve was him Once upon a time there was a woman afraid that no one would ever be able to love her without knowing that there was a man who had loved nothing but her for his entire life That man is me Reid Johnson And that woman is her my deepest secret Fine so I have a few secrets but it would be best not to reveal them as they could take everything I have away from me And without those secrets I d have nothing to dream of There are two things you should know about me before deciding whether or not to read this story I ve never been the person everyone thinks I am I ve never been the man she believes me to be Each book in the series is standalone The Best Man The First Man The Good Man The Only Man The Wrong Man The Lost Man Keywords romantic fiction romance contemporary romance women s fiction contemporary women humour rom com disabled character single mom romance grumpy sunshine romance small town romance friends to lovers romance family sagas sagas **Medieval**

The Secret History of Marvel Comics Blake Bell,Michael J. Vassallo,2013-11-16 The Secret History of Marvel Comics digs back to the 1930s when Marvel Comics wasn t just a comic book producing company Marvel Comics owner Martin Goodman had tentacles into a publishing world that might have made that era s conservative American parents lynch him on his front porch Marvel was but a small part of Goodman s publishing empire which had begun years before he published his first comic book Goodman mostly published lurid and sensationalistic story books known as pulps and magazines featuring sexually charged detective and romance short fiction and celebrity gossip scandal sheets And artists like Jack Kirby who was

producing Captain America for eight year olds were simultaneously dipping their toes in both ponds The Secret History of Marvel Comics tells this parallel story of 1930s 40s Marvel Comics sharing offices with those Goodman publications not quite fit for children The book also features a comprehensive display of the artwork produced for Goodman s other enterprises by Marvel Comics artists such as Jack Kirby and Joe Simon Alex Schomburg Bill Everett Al Jaffee and Dan DeCarlo plus the very best pulp artists in the field including Norman Saunders John Walter Scott Hans Wesso L F Bjorklund and Marvel Comics 1 cover artist Frank R Paul Goodman s magazines also featured cover stories on celebrities such as Jackie Gleason Elizabeth Taylor Liberace and Sophia Loren as well as contributions from famous literary and social figures such as Isaac Asimov Theodore Sturgeon and L Ron Hubbard

The Book of the Knight Zifar Charles L. Nelson,2021-12-14 The Book of the Knight Zifar or Cifar Spain s first novel of chivalry is the tale of a virtuous but unfortunate knight who has fallen from grace and must seek redemption through suffering and good deeds Because of a curse that repeatedly deprives him of that most important of knightly accoutrements his horse Zifar and his family must flee their native India and wander through distant lands seeking to regain their rank and fortune A series of mishaps divides the family and the novel follows their separate adventures alternatively heroic comic and miraculous until at length they are reunited and their honor restored The anonymous author of Zifar based his early fourteenth century novel on the medieval story of the life of St Eustacius but onto this trunk he grafted a surprising variety of narrative types Oriental tales of romance and magic biblical stories moralizing fables popular since the Middle Ages including several from Aesop and instructions in the rules of proper knightly conduct Humor in the form of puns jokes and old proverbs also runs through the novel In particular the foolish wise Knave offers a comic contrast to the heroic Knight whom he must continually rescue through the application of common sense Zifar was to have an important influence on later Spanish literature and perhaps on Cervantes great tale of a knight and his squire Don Quixote All those with an interest in Spanish literature and medieval life will be grateful for Mr Nelson s excellent translation which brings to life this extraordinary early novel
