The Haskell Memoirs The Personal Narrative Of A Confederate Officer:

THE HASKELL MEMOIRS. The Personal Narrative of a Confederate Officer Col. John Cheves Haskell, 2015-11-06 A vivid and excellent Confederate memoir from a highly decorated and respected artillery commander John Cheves Haskell came out of a rich French Scotch and Scotch Irish heritage of the Santee river country of South Carolina The grandson of Langdon Cheves a prominent South Carolinian John was brought up on The Home Place plantation in the Abbeville district When the Civil War broke out he was a student at South Carolina College but he left his textbooks and joined Beauregard's command at Charleston His family was well represented in the conflict for he had six brothers in the Confederate army Intelligent and enthusiastic Haskell rose quickly in favor with his superior officers He served on the staffs of Generals Joseph E Johnston and G W Smith until he lost his right arm at Mechanicsville After his recovery he commanded the artillery in North Carolina until the late spring of 1863 when he was at last given an opportunity to display his talents as a field commander of artillery At Gettysburg Haskell jointly commanded an artillery battalion in Longstreet's corps himself in the Richmond Petersburg lines and was chosen by General Lee to lead the Confederate artillery to the place of surrender at Appomattox His attitude under fire won the consistent praise of his superiors during the war especially at Gaines Mill where he was praised by no less than five generals THOMAS LAWRENCE CONNELLY The Era of the Civil War--1820-1876 Louise A. Arnold-Friend, US Army

Military History Institute, 1982 **General Abner M. Perrin, C.S.A.** Ron V. Killian, 2014-01-10 More than 1 000 men held the rank of brigadier general during the Civil War but a surprising number remain unknown to all but the most ardent scholar These lesser known brigadiers like General Abner M Perrin 1830 1864 played much more than a casual role in the momentous conflict Perrin of the South Carolina 14th Regiment took part in all of the major battles of the Army of Northern Virginia At Gettysburg he assumed command of a brigade whose general was wounded and defeated all opponents to lead the first troops to enter the town He received a promotion to brigadier general for his actions and commanded his own brigade at Mine Run the Wilderness and Spotsylvania where he was mortally wounded This welcome biography chronicles Perrin's life and military career removing this deserving Civil War personality from the shadows of history **The Era of the Civil War--1820-1876** US Army Military History Research Collection, 1974 The Battle of the Crater John F.

Schmutz, 2009-06-08 The Battle of the Crater is one of the lesser known yet most interesting battles of the Civil War This book detailing the onset of brutal trench warfare at Petersburg Virginia digs deeply into the military and political background of the battle Beginning by tracing the rival armies through the bitter conflicts of the Overland Campaign and culminating with the siege of Petersburg and the battle intended to lift that siege this book offers a candid look at the perception of the campaign by both sides **Medical Histories of Union Generals** Jack D. Welsh, 2005 During the Civil War the majority of the 583 Union generals studied here were afflicted by disease injured by accidents or suffered wounds This book includes a glossary of medical terms as well as a sequence of medical events during the Civil War listing wounds accidents and deaths

The Maps of the Wilderness Bradley Gottfried, 2016-03-14 The Maps of the Wilderness An Atlas of the Wilderness Campaign May 27 1864 continues Bradley M Gottfried's efforts to study and illustrate the major campaigns of the Civil War's Eastern Theater This is his fifth book in the ongoing Savas Beatie Military Atlas Series The previous four were The Maps of Gettysburg 2007 The Maps of First Bull Run 2009 The Maps of Antietam 2012 and The Maps of the Bristoe Station and Mine Run Campaigns 2013 This latest magisterial work breaks down the entire campaign and all related operational maneuvers into 24 map sets or action sections enriched with 120 original full page color maps These spectacular cartographic creations bore down to the regimental and battery level The Maps of the Wilderness includes an assessment of the winter of 1863 1864 the planning for the campaign the crossing of the Rapidan River and two days of bloody combat and the day of watchful stalemate thereafter At least one and as many as eight maps accompany each action section Opposite each map is a full facing page of detailed footnoted text describing the units personalities movements and combat including quotes from eyewitnesses depicted on the accompanying map all of which make the story of the first large scale combat of 1864 come alive Each cartographic snapshot also serves to unlock everything ever written on the subject This detailed coverage also includes an order of battle interview with the author bibliography and an index This original presentation leads readers on a journey through the epic battle that would prove to be the opening salvo in a prolonged fight that would not end until the Confederates surrendered at Appomattox in April 1865 The Wilderness Campaign has two unique characteristics First although he did not command the Army of the Potomac the battle was Ulysses S Grant's first against General Robert E Lee Second the Wilderness fighting prolonged bloody and inconclusive is widely viewed as the most confusing action of the entire war The dense thickets and deep smoke obscured much of what occurred during the two days of combat Gottfried's book cuts through the confusion to deliver a clear account of the horrendous struggle Perfect for the easy chair or for walking hallowed ground The Maps of the Wilderness is a seminal work that like his earlier studies belongs on the bookshelf of every serious and casual student of the Civil War or in the hands of an avid enthusiast out walking the Hallowed Ground

The Maps of Spotsylvania Through Cold Harbor Bradley M. Gottfried, 2023-01-04 The Maps of Spotsylvania through Cold Harbor continues Bradley M Gottfried's efforts to study and illustrate the major campaigns of the Civil War's Eastern Theater This is the ninth book in the ongoing Savas Beatie Military Atlas Series After three years of bloody combat in Virginia President Abraham Lincoln promoted Ulysses S Grant to general in chief in early 1864 Grant immediately went to work planning a comprehensive strategy to bring an end to the war He hungered to remain with the Western armies but realized his place was in Washington Unwilling to be stuck in an office Grant joined George Meade's Army of the Potomac His presence complicated Meade's ability to direct his army but Grant promised to stay out of his way and give only strategic directives This arrangement lasted through the Wilderness Campaign the first action in what is now referred to as the Overland Campaign This book continues the actions of both armies through the completion of the Overland Campaign After the

Wilderness fighting the Army of the Potomac attempted to swing around the right flank of Gen Robert E Lee s Army of Northern Virginia and shoot straight for Richmond The Confederate capital was never the goal the move was intended to force Lee out into the open where the larger and well stocked Union army could destroy it The head of Lee s army blunted the enemy at Spotsylvania Court House where both sides dug in Days and men were wasted on fruitless attacks until Col Emory Upton designed an audacious strike that temporarily penetrated Lee s works A much larger offensive against the Mule Shoe two days later tore the line open destroyed a Rebel division and triggered a long day of fighting More fighting convinced Grant of the folly of further attempts to crush Lee at Spotsylvania and again he swung around the Rebel right flank The march ignited almost continuous fighting at the North Anna Bethesda Church and Cold Harbor where this volume ends This study includes the various cavalry actions including those at Spotsylvania Court House Yellow Tavern Haw s Tavern and Matadequin Creek The Maps of Spotsylvania through Cold Harbor breaks down the entire operation into thirty five map sets or action sections enriched with 134 detailed full page color maps These cartographic originals bore down to the regimental and battery level and include the march to and from the battlefields and virtually every significant event in between At least two and as many as ten maps accompany each map set Keyed to each piece of cartography is a full facing page of detailed footnoted text describing the units personalities movements and combat including quotes from eyewitnesses depicted on the accompanying map all of which make the Spotsylvania story come alive This unique presentation allows readers to easily and quickly find a map and text on any portion of the campaign from the march to Spotsylvania to Cold Harbor Serious students will appreciate the extensive and authoritative endnotes and complete order of battle Everyone will want to take the book along on trips to these battlefields Perfect for the easy chair or for stomping the hallowed ground The Maps of Spotsylvania through Cold Harbor is a seminal work that belongs on the bookshelf of every serious student of the battle

Fighting for the Confederacy Edward Porter Alexander,1998-03-01 Originally published by UNC Press in 1989 Fighting for the Confederacy is one of the richest personal accounts in all of the vast literature on the Civil War Alexander was involved in nearly all of the great battles of the East from First Manassas

John Bell Hood Stephen M. Hood,2013-07-19 An award winning biography of one of the Confederacy s most successful and most criticized generals Winner of the 2014 Albert Castel Book Award and the 2014 Walt Whitman Award John Bell Hood died at forty eight after a brief illness in August 1879 leaving behind the first draft of his memoirs Advance and Retreat Personal Experiences in the United States and Confederate States Armies Published posthumously the following year the memoirs immediately became as controversial as their author A careful and balanced examination of these controversies however coupled with the recent discovery of Hood s personal papers which were long considered lost finally sets the record straight in this book Hood s published version of many of the major events and controversies of his Confederate military career were met with scorn and skepticism Some described his memoirs as merely a polemic against his arch rival Joseph E Johnston These opinions persisted through the decades and

reached their nadir in 1992 when an influential author described Hood's memoirs as a bitter misleading and highly biased treatise replete with distortions misrepresentations and outright falsifications. Without any personal papers to contradict them, many writers portrayed Hood as an inept dishonest opium addict and a conniving vindictive cripple of a man. One went so far as to brand him a fool with a license to kill his own men. What most readers don't know is that nearly all of these authors misused sources, ignored contrary evidence, and/or suppressed facts sympathetic to Hood. Stephen M. Hood, a distant relative of the general, embarked on a meticulous forensic study of the common perceptions and controversies of his famous kinsman. His careful examination of the original sources utilized to create the broadly accepted facts about John Bell Hood uncovered startlingly poor scholarship by some of the most well-known and influential historians of the twentieth and twenty-first centuries. These discoveries, coupled with his access to a large cache of recently discovered Hood papers, many penned by generals and other officers who served with Hood, confirm Hood's account that originally appeared in his memoir and resolve for the first time some of the most controversial aspects of Hood's long career.

Lee and His Generals in War and Memory Gary W. Gallagher, 2004-03-01

In this collection, Civil War historian Gary W. Gallagher examines Robert E. Lee, his principal subordinates, the treatment they have received in the literature on Confederate military history, and the continuing influence of Lost Cause arguments in the late twentieth-century United States. Historical images of Lee and his lieutenants were shaped to a remarkable degree by the reminiscences and other writings of ex-Confederates who formulated what became known as the Lost Cause interpretation of the conflict. Lost Cause advocates usually portrayed Lee as a perfect Christian warrior and Stonewall Jackson as his peerless right arm, and often explained Lee's failings as the result of inept performances by other generals. Many historians throughout the twentieth century have approached Lee and other Confederate military figures within an analytical framework heavily influenced by the Lost Cause school. The twelve pieces in *Lee and His Generals in War and Memory* explore the effect of Lost Cause arguments on popular perceptions of Lee and his lieutenants. Part I offers four essays on Lee, followed in Part II by five essays that scrutinize several of Lee's most famous subordinates, including Stonewall Jackson, John Bankhead Magruder, James Longstreet, A. P. Hill, Richard S. Ewell, and Jubal Early. Taken together, these pieces not only consider how Lost Cause writings enhanced or diminished Confederate military reputations but also illuminate the various ways post-Civil War writers have interpreted the actions and impacts of these commanders. Part III contains two articles that shift the focus to the writings of Jubal Early and LaSalle Corbell Pickett, both of whom succeeded in advancing the notion of gallant Lost Cause warriors. The final two essays, which contemplate the current debate over the Civil War's meaning for modern Americans, focus on Ken Burns's documentary *The Civil War* and on the issue of battlefield preservation. Gallagher adeptly highlights the chasm that often separates academic and popular perceptions of the Civil War and discusses some of the ways in which the Lost Cause continues to resonate. *Lee and His Generals in War and Memory* will certainly attract those interested in Lee and his campaigns, the Army of Northern Virginia,

the establishment of popular images of the Confederate military and the manner in which historical memory is created and perpetuated

Special Bibliography - US Army Military History Research Collection US Army Military History Research Collection,1974

Citizen-Officers Andrew S. Bledsoe,2015-11-16 From the time of the American Revolution most junior officers in the American military attained their positions through election by the volunteer soldiers in their company a tradition that reflected commitment to democracy even in times of war By the outset of the Civil War citizen officers had fallen under sharp criticism from career military leaders who decried their lack of discipline and efficiency in battle Andrew S Bledsoe s Citizen Officers explores the role of the volunteer officer corps during the Civil War and the unique leadership challenges they faced when military necessity clashed with the antebellum democratic values of volunteer soldiers Bledsoe s innovative evaluation of the lives and experiences of nearly 2 600 Union and Confederate company grade junior officers from every theater of operations across four years of war reveals the intense pressures placed on these young leaders Despite their inexperience and sometimes haphazard training in formal military maneuvers and leadership citizen officers frequently faced their first battles already in command of a company These intense and costly encounters forced the independent civic minded volunteer soldiers to recognize the need for military hierarchy and to accept their place within it Thus concepts of American citizenship republican traditions in American life and the brutality of combat shaped and were in turn shaped by the attitudes and actions of citizen officers Through an analysis of wartime writings post war reminiscences company and regimental papers census records and demographic data Citizen Officers illuminates the centrality of the volunteer officer to the Civil War and to evolving narratives of American identity and military service

Retreat from Gettysburg Kent Masterson Brown, Esq.,2011-08-01 In a groundbreaking comprehensive history of the Army of Northern Virginia s retreat from Gettysburg in July 1863 Kent Masterson Brown draws on previously untapped sources to chronicle the massive effort of General Robert E Lee and his command as they sought to move people equipment and scavenged supplies through hostile territory and plan the army s next moves Brown reveals that even though the battle of Gettysburg was a defeat for the Army of Northern Virginia Lee s successful retreat maintained the balance of power in the eastern theater and left his army with enough forage stores and fresh meat to ensure its continued existence as an effective force

Custer at Gettysburg Phillip Thomas Tucker,2023-06-14 A mosaic of thousands of tiny pieces that seen whole amounts to a fascinating picture of what probably was the most important moment of the Civil War Thomas E Ricks New York Times bestselling author of The Generals George Armstrong Custer is famous for his fatal defeat at the Little Bighorn in 1876 but Custer s baptism of fire came during the Civil War His true rise to prominence began at Gettysburg in 1863 On the eve of the Battle of Gettysburg Custer received promotion to brigadier general and command his first direct field command of the Michigan Cavalry Brigade the Wolverines Custer did not disappoint his superiors who promoted him in a search for more aggressive cavalry officers At approximately noon on July 3 1863 the melee that was East Cavalry Field at Gettysburg began An hour or two into the battle

after many of his cavalymen had been reduced to hand to hand infantry style fighting Custer ordered a charge of one of his regiments and led it into action himself screaming one of the battle s most famous lines Come on you Wolverines Around three o clock the Confederates led by Stuart mounted a final charge which mowed down Union cavalry until it ran into Custer s Wolverines who stood firm breaking the Confederates last attack In a book combining two popular subjects Tucker recounts the story of Custer at Gettysburg with verve shows how the Custer legend was born on the fields of the war s most famous battle and offers eye opening new perspectives on Gettysburg s overlooked cavalry battle A thoughtful and challenging new look at the great assault at Gettysburg Tucker is fresh and bold in his analysis and use of sources William C Davis author of *Crucible of Command*

Lee's Maverick General Hal Bridges,1991-01-01 Among the high ranking gray uniforms Daniel Harvey Hill caused a stir as a sash of red in a bullpen would Hot tempered outspoken he stormed his way through the Civil War leading his soldiers at Malvern Hill and Antietam and sometimes stepping on the toes of superiors But he was much more than a seemingly impervious shield against Union bullets a devout Christian a family man a gloomy fatalist an intellectual Lee s Maverick General makes clear that he was often caught in the crossfire of military politics and ultimately made a scapegoat for the costly barren victory at Chickamauga Hal Bridges drawing on Hill s unpublished papers offers an outsider s inside views of Lee Jefferson Davis Braxton Bragg James Longstreet Stonewall Jackson and others up and down the embattled line In his introduction Gary W Gallagher rounds out the portrait of the controversial Hill whose reading of military affairs was always perceptive

Last Chance For Victory Scott Bowden,Bill Ward,2025-05-01 Gettysburg is the most written about battle in American military history Generations after nearly 50 000 soldiers shed their blood there serious and fundamental misunderstandings persist about Robert E Lee s generalship during the campaign and battle Most are the basis of popular myths about the epic fight Last Chance for Victory Robert E Lee and the Gettysburg Campaign addresses these issues by studying Lee s choices before during and after the battle the information he possessed at the time and each decision that was made and why he acted as he did Even options open to Lee that he did not act upon are carefully explored from the perspective of what Lee and his generals knew at the time Some of the issues addressed include Whether Lee s orders to Jeb Stuart were discretionary and allowed him to conduct his raid around the Federal army The authors conclusively answer this important question with the most original and unique analysis ever applied to this controversial issue Why Richard Ewell did not attack Cemetery Hill as ordered by General Lee and why every historian who has written that Lee s orders to Ewell were discretionary are dead wrong Why Little Round Top was irrelevant to the July 2 fighting a fact Lee clearly recognized Why Cemetery Hill was the weakest point along the entire Federal line and how close the Southerners came to capturing it Why Lee decided to launch an echelon attack on July 2 and why most historians have never understood what it was or how close it came to success Last Chance for Victory will be labeled heresy by some blasphemy by others all because its authors dare to call into question the dogmas of Gettysburg But they do so carefully using facts logic

and reason to weave one of the most compelling and riveting military history books of our age Readers will never look at Robert E Lee and Gettysburg the same way again **Quarterly Bulletin of Recent Accessions** Kern County Free Library, Bakersfield, Calif,1959 *Crimson Confederates* Helen P. Trimpi,2010 Though located in the heart of Unionist New England Harvard produced 357 alumni who fought for the South during the Civil War men not just from the South but from the North as well This encyclopedic work gathers their stories together for the first time providing unprecedented biographical coverage of the Crimson Confederates Included are alumni of Harvard College Law School Medical School and Lawrence Scientific School The emphasis of the entries is on the alumnus s military career whether as an infantry private or as a signal scout as a surgeon or as a teacher in the Confederate Naval Academy as an aide de camp or as an artillery captain The range of participation took these men into all the major battles from the Eastern Theater under Robert E Lee to the Trans Mississippi under Richard Taylor and Sterling Price Their careers spanned firing a gun at Fort Sumter and the earliest battles in Virginia to the closing shots at Bentonville and Mobile Harvard s general officers included two major generals W H F Rooney Lee one of Robert E Lee s sons and John Sappington Marmaduke as well as thirteen brigadiers among them James Rogers Cooke Stephen Elliott States Rights Gist John Echols Ben Hardin Helm Albert Gallatin Jenkins Bradley Tyler Johnson and William Booth Taliaferro Several engineers and scientists from Lawrence Scientific School constructed major fortifications at Vicksburg and in Charleston Harbor while others worked in the Nitre and Mining Bureau An appendix of civilian Harvard alumni who served the Confederacy as congressmen diplomats jurists editors and in other ways is also included This comprehensive remarkably detailed reference work will be valuable for researchers and browsers alike Helen P Trimpi has taught at Stanford College of Notre Dame Belmont California University of Alberta and Michigan State University She is the author of Melville s Confidence Men and American Politics in the 1850s numerous essays on Melville and modern poetry and five volumes of poetry Trimpi is a member of the Company of Military Historians **Military Memoirs of a Confederate** Edward Porter Alexander,1907 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

The Captivating World of E-book Books: A Thorough Guide Unveiling the Pros of E-book Books: A Realm of Ease and Versatility E-book books, with their inherent portability and simplicity of access, have freed readers from the constraints of hardcopy books. Gone are the days of lugging bulky novels or carefully searching for particular titles in bookstores. E-book devices, stylish and lightweight, effortlessly store an wide library of books, allowing readers to immerse in their favorite reads anytime, anywhere. Whether traveling on a bustling train, lounging on a sunny beach, or simply cozying up in bed, Kindle books provide an exceptional level of convenience. A Reading World Unfolded: Discovering the Vast Array of Kindle The Haskell Memoirs The Personal Narrative Of A Confederate Officer The Haskell Memoirs The Personal Narrative Of A Confederate Officer The E-book Store, a digital treasure trove of bookish gems, boasts an wide collection of books spanning varied genres, catering to every readers preference and choice. From gripping fiction and mind-stimulating non-fiction to timeless classics and modern bestsellers, the E-book Store offers an exceptional variety of titles to discover. Whether seeking escape through immersive tales of imagination and adventure, delving into the depths of past narratives, or broadening ones understanding with insightful works of scientific and philosophical, the Kindle Store provides a doorway to a bookish world brimming with endless possibilities. A Revolutionary Factor in the Bookish Scene: The Enduring Influence of E-book Books The Haskell Memoirs The Personal Narrative Of A Confederate Officer The advent of Kindle books has undoubtedly reshaped the literary scene, introducing a model shift in the way books are published, distributed, and consumed. Traditional publication houses have embraced the digital revolution, adapting their approaches to accommodate the growing demand for e-books. This has led to a surge in the availability of Kindle titles, ensuring that readers have access to a vast array of bookish works at their fingertips. Moreover, E-book books have equalized entry to books, breaking down geographical limits and offering readers worldwide with similar opportunities to engage with the written word. Irrespective of their place or socioeconomic background, individuals can now immerse themselves in the intriguing world of books, fostering a global community of readers. Conclusion: Embracing the E-book Experience The Haskell Memoirs The Personal Narrative Of A Confederate Officer E-book books The Haskell Memoirs The Personal Narrative Of A Confederate Officer, with their inherent ease, flexibility, and wide array of titles, have undoubtedly transformed the way we experience literature. They offer readers the freedom to explore the boundless realm of written expression, anytime, anywhere. As we continue to navigate the ever-evolving digital landscape, Kindle books stand as testament to the enduring power of storytelling, ensuring that the joy of reading remains accessible to all.
