Transatlantic Television Drama Matt Hills,Michele Hilmes,Roberta E. Pearson,2019 In 2014 the UK science fiction television series Black Mirror was released on Netflix worldwide quickly becoming a hit with US audiences Like other beloved British imports this series piqued Americans interest with hints of dark comedy clever plotlines and six episode seasons that left audiences frantic for more In Transatlantic Television Drama volume editors Michele Hilmes Matt Hills and Roberta Pearson team up with leading scholars in TV studies and transnational television to look at how serial dramas like Black Mirror captivate US audiences and what this reveals about the ways

Americans and Brits relate to each other on and off the screen Focusing on production strategies performance styles and audience reception chapters delve into some of the most widely discussed programs on the transatlantic circuit from ongoing series like Game of Thrones Downton Abbey Orphan Black and Sherlock to those with long histories of transnational circulation like Masterpiece and Doctor Who to others whose transnational success speaks to the process of exchange adaptation and cooperation such as Rome Parade s End Broadchurch and Gracepoint The book s first section investigates the platforms that support British American exchange from distribution partnerships and satellite providers to streaming services The second section concentrates on the shift in meaning across cultural contexts such as invocations of heritage genre shifts in adaptation performance styles and in the case of Episodes actual dramatized depiction of the process of transatlantic television production In section three attention turns to contexts of audience reception ranging from fan conventions and fiction to television criticism the effects of national branding on audiences and the role of social media in de or re contextualizing fans response to transnational programs

Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 ,1988 *Quality TV* Janet McCabe,Kim Akass,2007-09-26 In his seminal book *Television s Second Golden Age* Robert Thompson described quality TV as best defined by what it is not it is not regular TV Audacious maybe but his statement renewed debate on the meaning of this highly contentious term Dealing primarily with the post 1996 era shaped by digital technologies and defined by consumer choice and brand marketing this book brings together leading scholars established journalists and experienced broadcasters working in the field of contemporary television to debate what we currently mean by quality TV They go deep into contemporary American television fictions from *The Sopranos* and *The West Wing* to *CSI* and *Lost* innovative sometimes controversial always compelling dramas which one scholar has described as now better than the movies But how do we understand the emergence of these kinds of fiction Are they genuinely new What does quality TV have to tell us about the state of today s television market And is this a new Golden Age of quality TV Original often polemic each chapter proposes new ways of thinking about and defining quality TV There is a foreword from Robert Thompson and heated dialogue between British and US television critics Also included and a great coup are interviews with W Snuffy Walden scored *The West Wing* among others and with David Chase *The Sopranos* creator *Quality TV* provides throughout groundbreaking and innovative theoretical and critical approaches to studying television and for understanding the current and future TV landscape

The Greatest Cult Television Shows of All Time Christopher J. Olson,CarrieLynn D. Reinhard,2020-05-29 Reaching back to the beginnings of television *The Greatest Cult Television Shows* offers readers a fun and accessible look at the 100 most significant cult television series of all time compiled in a single resource that includes valuable information on the shows and their creators While they generally lack mainstream appeal cult television shows develop devout followings over time and exert some sort of impact on a given community society culture or even media industry Cult television shows have been around since at least the 1960s with *Star Trek* perhaps the most

famous of that era However the rise of cable contributed to the rise of cult television throughout the 1980s and 1990s and now with the plethora of streaming options available more shows can be added to this categorization Reaching back to the beginnings of television the book includes such groundbreaking series as *The Twilight Zone* and *The Prisoner* alongside more contemporary examples like *Crazy Ex Girlfriend* and *Hannibal* The authors provide production history for each series and discuss their relevance to global pop culture To provide a more global approach to the topic the authors also consider several non American cult TV series including British Canadian and Japanese shows Thus Monty Python's *Flying Circus* appears alongside *Sailor Moon* and *Degrassi Junior High* Additionally to move beyond the conception of cult as a primarily white heteronormative fanboy obsession the book contains shows that speak to a variety of cult audiences and experiences such as *Queer as Folk* and *Charmed* With detailed arguments for why these shows deserve to be considered the greatest of all time Olson and Reinhard provide ideas for discussion and debate on cult television Each entry in this book demonstrates the importance of the 100 shows chosen for inclusion and highlights how they offer insight into the period and the cults that formed around them
