A History of Food Maguelonne Toussaint-Samat, 2009-03-25 The story of cuisine and the social history of eating is a fascinating one and Maguelonne Toussaint Samat covers all its aspects in this classic history New expanded edition of a classic book originally published to great critical acclaim from Raymond Blanc The New York Times The Sunday Telegraph The Independent and more Tells the story of man's relationship with food from earliest times to the present day Includes a new foreword by acclaimed food writer Betty Fussell a preface by the author updated bibliography and a new chapter bringing the story up to date New edition in jacketed hardback with c 70 illustrations and a new glossy color plate section Indispensable and an endlessly fascinating book The view is staggering Not a book to digest at one or several sittings Savor it instead one small slice at a time accompanied by a very fine wine New York Times This book is not only impressive for the knowledge it provides it is unique in its integration of historical anecdotes and factual data It is a marvellous reference to a great many topics Raymond Blanc Quirky encyclopaedic and hugely entertaining Adelight Sunday Telegraph It's the best book when you are looking for very clear but interesting stories Everything is cross referenced to an extraordinary degree which is great because the information given is so complex and interweaving The Independent A History of Food is a monumental work a prodigious feat of careful scholarship patient research and attention to detail Full of astonishing but insufficiently known facts Times Higher Education Supplement

Salt of the Desert Sun Paul E. Lovejoy, 1986-05-22 In this study of salt production and trade Professor Lovejoy examines the interaction between ecology technology and social structure as a means of analysing the organisation of the salt industry of the Sokoto Caliphate and Borno By concentrating on the late nineteenth and early twentieth centuries Lovejoy is able to establish a base line from which to interpret earlier changes in the salt trade and thereby assess the impact of politics and economy on the history of the trade By the end of the nineteenth century production depended upon a combination of slavery free migrant peasants and workers from the haddad artisan caste A complex marketing network serviced the various salines although this network was intimately connected with the distribution of other commodities especially textiles grain and livestock An examination of this marketing system reveals patterns of immigration and social advancement that are important in understanding the social
