The Hope Of The Gospel:

The Hope of the Gospel John Daniel Jones, 1911 **The Hope of the Gospel** George MacDonald, 2022-11-13 In *The Hope of the Gospel* George MacDonald eloquently articulates the foundational tenets of Christian faith through a series of poignant meditations on the nature of hope redemption and divine love Utilizing a lyrical prose style MacDonald weaves theological reflections with a pastoral sensibility inviting readers into a profound exploration of spiritual truths rooted in the Scriptures The book encapsulates the Victorian era's intertwining of spirituality and literature drawing upon allegorical elements that resonate deeply within the human soul offering solace and encouragement in an often tumultuous world George MacDonald 1824-1905 a Scottish author poet and theologian was a pioneer in the genre of fantasy literature and a significant influence on later writers such as C S Lewis MacDonald's own struggles with doubt and his search for authenticity in faith illuminate the pages of this work providing a lens through which readers can appreciate his conviction and empathetic understanding of human frailty His writings reflect a deep commitment to the righteousness of God's love and an earnest desire to inspire hope within his readers *The Hope of the Gospel* is an essential read for anyone seeking a deeper understanding of Christian hope in a contemporary context MacDonald's abiding grace and wisdom provide a refreshing perspective on faith encouraging readers to embrace the transformative power of the Gospel in their lives This book is not merely a theological treatise it is a heartfelt invitation to explore the depths of divine promise and the joy that comes from a hopeful heart **The Hope of the Gospel - The Great sermons of the George Macdonald** George

Macdonald, 2017-09-18 *The Hope of the Gospel* is one great selection of the more important sermons of the George Macdonald George Macdonald's literature inspired authors such as CS Lewis and others important names in world Christian literature This work presents the most important Christian sermons **The Hope of the Gospel** Mark S. Young, 2022-01-11 Returning evangelicalism to its core commitments Evangelicalism in the United States is fracturing along social political and ethical fault lines to the extent that the very meaning of evangelicalism is in dispute Having surrendered its theological character and missional heritage to partisan political activism and cultural conservatism the movement has lost its unifying identity and undermined its own testimony in an increasingly diverse society Mark Young believes a revitalization of the evangelical movement must happen in our seminaries where the shepherds of the next evangelicalism are being formed Young argues that if these leaders of tomorrow are instilled with true gospel values they will go on to form churches and missional organizations that offer a credible and compelling Christlike witness for the sake of the world *The Hope of the Gospel* takes readers through the history of evangelicalism and back to the present to make the case for how this can happen through a renewed vision of theological education **The Hope of the Gospel (Classic Reprint)** George Mac Donald, 2017-11-22 Excerpt from *The Hope of the Gospel* I would help some to understand what Jesus came from the home of our Father to be to us and do for us Everything in the world is more or less misunderstood at first we have to learn what it is

and come at length to see that it must be so that it could not be otherwise There we know it and we never know a thing really until we know it thus About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The hope of the Gospel* ,1892 **A Hope-Filled Life** James R.

Wilkes,2021-03-02 Hope is part of the spiritual vocabulary of the believer in Jesus Christ The word is found abundantly in the Scriptures We speak of it in our testimonies and fellowship We sing about it in our corporate worship Yet it would seem at times that our concept of hope is understood in merely some vague way Hope seems like an abstraction something we consider only theoretically not something that really matters or makes a difference However biblical hope is a gospel grace that provides joy and endurance for our lives right now A Hope Filled Life seeks to define biblical hope and provide a practical theology for understanding and applying it to our lives Hope is indeed not an optional add on but a vital necessity Embracing the many truths about hope in the Scriptures strengthens our hearts As we run the race set before us we must grow in our understanding that Jesus Christ is truly our great Savior and our sure and steadfast hope **The Hope Of The Gospel [sermons]** George MacDonald,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Hope of the Gospel (COMPLETE and UNABRIDGED, with an INDEX)* George MacDonald,2017-05-17 I have never concealed the fact that I regarded George MacDonald as my master indeed I fancy I have never written a book in which I did not quote from him C S Lewis A Complete and Unabridged edition of George MacDonald s inspiring The Hope of the Gospel Comes with a computer generated Index made for this edition Other theological works by George MacDonald include Unspoken Sermons The Miracles of Our Lord and God s Words to His Children Some of his Fantasy works include The Princess and the Goblin The Princess and Curdie Phantastes Lilith Dealings with the Fairies and At the Back of the North Wind It is a striking indication of the trend and shallowness of the modern reading public that George MacDonald s books have been so neglected Oswald Chambers **The Mystery of the Gospel** Stan M. Carter,2021-03-17 Paul tells those at Corinth he speaks the wisdom of God in a mystery even the hidden wisdom which God ordained before the world unto our glory Which none of the princes knew for had they

know it they would not have crucified the Lord of Glory To those at Rome he says it is the mystery which was kept secret since the world began but is now made manifest by the scriptures of the prophets Struct blind on the road to Damascus Saul returns from the desert as the new man Paul He tells the believers at Colossae Whereof I am made a minister according to the dispensation of God which is given to me for you to fulfil the word of God even the mystery which has been hid from ages and from generations but now is made manifest to his saints The mystery which Paul reveals within his letters is the key to understanding every story every parable and the intent of God's every intervention into the lives of men Those letters entice believers to search for the mystery of his will no longer hidden they now reveal the mystery of godliness I Corinthians 2 7 8 Romans 16 25 26 Colossians 1 25 26 Ephesians 1 9 I Timothy 3 16 **Jesus Christ** Burton Hamilton

Throckmorton,1998-01-01 Eschewing both fundamentalist rigidity and humanist revisionism Throckmorton discusses the traditional identity and nature of Jesus as portrayed in the Gospels While keeping a close eye on historical detail he explores and explicates the profound and lyrically spiritual implications of the life and meaning of Christ Back cover **The Hope of the Gospel** George MacDonald,2015-04-22 The Hope of the Gospel Salvation from Sin A Christian Study Book By George MacDonald I would help some to understand what Jesus came from the home of our Father to be to us and do for us Everything in the world is more or less misunderstood at first we have to learn what it is and come at length to see that it must be so that it could not be otherwise Then we know it and we never know a thing really until we know it thus I presume there is scarce a human being who resolved to speak openly would not confess to having something that plagued him something from which he would gladly be free something rendering it impossible for him at the moment to regard life as an altogether good thing Most men I presume imagine that free of such and such things antagonistic life would be an unmingled satisfaction worthy of being prolonged indefinitely The causes of their discomfort are of all kinds and the degrees of it reach from simple uneasiness to a misery such as makes annihilation the highest hope of the sufferer who can persuade himself of its possibility Perhaps the greater part of the energy of this world's life goes forth in the endeavour to rid itself of discomfort

Hope of the Gospel George MacDonald,2016-10-02 Perhaps most well known for his fairytales and fantasy stories such as The Golden Key and Phantastes or for his poetry George MacDonald was a great spiritual master of the nineteenth century He spent several years as a minister in his native Scotland however he was forced to resign his position due to ill health He had a profound influence on such later writers as G K Chesterton and C S Lewis the latter of whom considered MacDonald to be his spiritual father and edited an anthology of his works In The Hope of the Gospel with his ever sagely style MacDonald explores the essential heart of the gospel that is so often overlooked both in his day and ours Dissatisfied with cheap and hasty interpretations of Scripture MacDonald invites us beneath the surface in a heartfelt meditation on all that Christ came to accomplish **The Hope of the Gospel** George MacDonald,2021-04-11 To save a man from his sins is to say to him in sense perfect and eternal Rise up and walk Be at liberty in thy essential being Be free as the son of God is free To do this for

us Jesus was born and remains born to all the ages When misery drives a man to call out to the source of his life and I take the increasing outcry against existence as a sign of the growth of the race toward a sense of the need of regeneration the answer I think will come in a quickening of his conscience This earnest of the promised deliverance may not in all probability will not be what the man desires he will want only to be rid of his suffering but that he cannot have save in being delivered from its essential root a thing infinitely worse than any suffering it can produce If he will not have that deliverance he must keep his suffering Through chastisement he will take at last the only way that leads into the liberty of that which is and must be There can be no deliverance but to come out of his evil dream into the glory of God It is true that Jesus came in delivering us from our sins to deliver us also from the painful consequences of our sins But these consequences exist by the one law of the universe the true will of the Perfect That broken that disobeyed by the creature disorganization renders suffering inevitable it is the natural consequence of the unnatural and in the perfection of God s creation the result is curative of the cause the pain at least tends to the healing of the breach The Lord never came to deliver men from the consequences of their sins while yet those sins remained that would be to cast out of window the medicine of cure while yet the man lay sick to go dead against the very laws of being Yet men loving their sins and feeling nothing of their dread hatefulness have consistently with their low condition constantly taken this word concerning the Lord to mean that he came to save them from the punishment of their sins The idea the miserable fancy rather has terribly corrupted the preaching of the gospel The message of the good news has not been truly delivered Unable to believe in the forgiveness of their Father in heaven imagining him not at liberty to forgive or incapable of forgiving forthright not really believing him God our Saviour but a God bound either in his own nature or by a law above him and compulsory upon him to exact some recompense or satisfaction for sin a multitude of teaching men have taught their fellows that Jesus came to bear our punishment and save us from hell They have represented a result as the object of his mission the said result nowise to be desired by true man save as consequent on the gain of his object The mission of Jesus was from the same source and with the same object as the punishment of our sins He came to work along with our punishment He came to side with it and set us free from our sins **Hope of the Gospel**

George MacDonald,1995-10-01 The Hope of the Gospel George MacDonald George MacDonald,2018-02-08 and thou shalt call his name Jesus for he shall save his people from their sins Matthew i 21 I would help some to understand what Jesus came from the home of our Father to be to us and do for us Everything in the world is more or less misunderstood at first we have to learn what it is and come at length to see that it must be so that it could not be otherwise Then we know it and we never know a thing really until we know it thus I presume there is scarce a human being who resolved to speak openly would not confess to having something that plagued him something from which he would gladly be free something rendering it impossible for him at the moment to regard life as an altogether good thing Most men I presume imagine that free of such and such things antagonistic life would be an unmingled satisfaction worthy of being prolonged indefinitely The causes of

their discomfort are of all kinds and the degrees of it reach from simple uneasiness to a misery such as makes annihilation the highest hope of the sufferer who can persuade himself of its possibility Hope of the Gospel George MacDonald,1892

All the Hope in the Bible Jean Bacon White,2015-04-06 A thread of hope runs all the way from Genesis to Revelation You are mistaken if you think all the heroes you meet on the way were different from us An almighty God takes ordinary people and proves that he is all powerful by picking leaders for his cause from the common masses His power is made perfect in our weakness That is how this eighty year old lady can write this book Nothing is impossible with God Universalism Asserted Thomas Allin,1891 **The Hope of the Gospel** John Daniel Jones,19??
