The Ides Of Falco The New Generation Flavia Albia:

The Ides of April Lindsey Davis, 2014-06-17 Falco The Next Generation Flavia Albia has taken up her father's profession Only now Rome is a more dangerous mercurial place than it was back in dear old dad's day Flavia Albia is the adopted daughter of Marcus Didius Falco and Helena Justina From her mother she learned how to blend in at all levels of society from her father she learned the tricks of their mutual professional trade But her wits and frequently sharp tongue are hers alone Now working as a private informer in Rome during the reign of Domitian Flavia has taken over her father's old ramshackle digs at Fountain Court in the Subura district where she plies her trade with energy determination and the usual Falco luck Recently hired to help investigate a fatal accident she finds herself stuck with a truly awful person for a client and facing a well heeled well connected opponent That is until her client unexpectedly dies under what might be called suspicious circumstances While this is not a huge loss for society it is a loss for Flavia Albia's pocket Even worse it's just one of a series of similar deaths for which she now finds herself under suspicion Before things go from abysmal to worse Flavia must sort out what is happening and who is responsible in Lindsey Davis **The Ides of April** Lindsey Davis, 2014-01-08 It's Falco the next generation Flavia Albia has taken up her father's profession Only now Rome is a more dangerous mercurial place than it was back in dear old dad's day Recently hired to help investigate a fatal accident she finds herself stuck with a truly awful person for a client and facing a well heeled well connected opponent *The Flavia Albia Collection 1-3* Lindsey Davis, 2020-02-06 The first three books in the incredibly addictive Flavia Albia series Flavia Albia is the adopted daughter of a famous investigating family In defiance of tradition she lives alone on the colourful Aventine Hill and battles out a solo career in a male dominated world As a woman and an outsider Albia has special insight into the best and worst of life in ancient Rome **THE IDES OF APRIL** A female client dies in mysterious circumstances Albia investigates and discovers there have been many other strange deaths all over the city Albia's neighbourhood descends into mayhem and becomes the heartless killer's territory While Albia and her allies search for him he stalks them through familiar byways and brings murder ever closer to home **ENEMIES AT HOME** Even as the dust settles from her last case Albia finds herself once again drawn into a web of lies and intrigue Two mysterious deaths at a local villa may be murder and as the household slaves are implicated Albia is once again forced to involve herself **DEADLY ELECTION** Flavia Albia inspects a decomposing corpse that has been discovered in lots to be auctioned by her family business so she's determined to identify the dead man and learn how he met his gruesome end The investigation will give her a chance to work with the magistrate Manlius Faustus But he's got other concerns as it's election time and with democracy for sale at Domitian's court tension has come to a head As Albia's and Faustus professional and personal partnership deepens they have to accept that for others obsession can turn sour and become a deadly strain that leads tragically to murder Praise for Lindsey Davis and the Flavia Albia series Lindsey Davis has seen off all her competitors to become the unassailable market leader in the crime in Ancient Rome genre Davis's

squalid vibrant Rome is as pleasurable as ever Guardian Davis s prose is a lively joy and Flavia s Rome is sinister and gloriously real The Times on Sunday For fans of crime fiction set in the ancient world this one is not to be missed Booklist Davis s books crackle with wit and knowledge She has the happy knack of making the reader feel entirely immersed in Rome The Times **Enemies at Home** Lindsey Davis,2014-10-23 We first met Flavia Albia Falco s feisty adopted daughter in The Ides of April Albia is a remarkable woman in what is very much a man s world young widowed and fiercely independent she lives alone on the Aventine Hill in Rome and makes a good living as a hired investigator An outsider in more ways than one Albia has unique insight into life in ancient Rome and she puts it to good use going places no man could go and asking questions no man could ask **The Spook Who Spoke Again** Lindsey Davis,2015-03-05 Marcus Didius Alexander Postumus is a special boy He is twelve or perhaps eleven He has two mothers and various possible fathers so he worries who will take care of him He is self confident yet vulnerable intelligent yet sinister He knows not many people like him When his birth mother Thalia the snake dancer takes him to live with her troupe of exotic performers Postumus sees it as useful experience even though it involves him mucking out menagerie cages No one anticipates how much havoc he will wreak On his first day a tragedy occurs No one else cares so Postumus decides he alone must solve this crime and impose retribution on the guilty As son and brother to the famous investigators Falco and Albia he knows murder is punished by execution Postumus single mindedly sets out to accomplish this sidetracked by nothing not even a rehearsal of Falco s legendary play The Spook Who Spoke **Rewriting the Ancient World** ,2017-07-03 Rewriting the Ancient World looks at how and why the ancient world including not only the Greeks and Romans but also Jews and Christians has been rewritten in popular fictions of the modern world The fascination that ancient society holds for later periods in the Western world is as noticeable in popular fiction as it is in other media for there is a vast body of work either set in or interacting with classical models themes and societies These works of popular fiction encompass a very wide range of society and the examination of the interaction between these books and the world of classics provides a fascinating study of both popular culture and example of classical reception
