At the same time, her potential young man, Faustus, comes looking for help with his friend Sextus's political campaign. Between the auction business and Roman politics, it's not quite clear which one is the more underhanded and duplicitous. Rewriting the Ancient World, 2017-07-03. Rewriting the Ancient World looks at how and why the ancient world, including not only the Greeks and Romans but also Jews and Christians, has been rewritten in popular fictions of the modern world. The fascination that ancient society holds for later periods in the Western world is as noticeable in popular fiction as it is in other media, for there is a vast body of work either set in or interacting with classical models, themes, and societies. These works of popular fiction encompass a very wide range of society and the examination of the interaction between these books and the world of classics provides a fascinating study of both popular culture and example of classical reception.

The Flavia Albia Collection 1-3 Lindsey Davis, 2020-02-06. The first three books in the incredibly addictive Flavia Albia series. Flavia Albia is the adopted daughter of a famous investigating family. In defiance of tradition, she lives alone on the colourful Aventine Hill and battles out a solo career in a male-dominated world. As a woman and an outsider, Albia has special insight into the best and worst of life in ancient Rome.

THE IDES OF APRIL A female client dies in mysterious circumstances. Albia investigates and discovers there have been many other strange deaths all over the city. Albia's neighbourhood descends into mayhem and becomes the heartless killer's territory. While Albia and her allies search for him, he stalks them through familiar byways and brings murder ever closer to home.

ENEMIES AT HOME Even as the dust settles from her last case, Albia finds herself once again drawn into a web of lies and intrigue. Two mysterious deaths at a local villa may be murder, and as the household slaves are implicated, Albia is once again forced to involve herself.

DEADLY ELECTION Flavia Albia inspects a decomposing corpse that has been discovered in lots to be auctioned by her family business, so she's determined to identify the dead man and learn how he met his gruesome end. The investigation will give her a chance to work with the magistrate Manlius Faustus. But he's got other concerns as it's election time, and with democracy for sale at Domitian's court, tension has come to a head. As Albia's and Faustus' professional and personal partnership deepens, they have to accept that for others, obsession can turn sour and become a deadly strain that leads tragically to murder.
