The Great Pattillo:

The Great Revival John B. Boles, 2014-07-11 Drawing upon the religious writings of southern evangelicals John Boles asserts that the extraordinary crowds and miraculous transformations that distinguished the South's First Great Awakening were not simply instances of emotional excess but the expression of widespread and complex attitudes toward God. Converted southerners were starkly individualistic, interested more in gaining personal salvation in a hopelessly evil world than in improving society. As Boles shows in this landmark study, the effect of the Revival was to throw over the region a conservative cast that remains dominant in contemporary southern thought and life. *McMaster's Commercial Decisions Affecting the Banker and Merchant* James Smith McMaster, 1899 *The Club Woman's Magazine*, 1922 *McMaster's Commercial Digest and Business Forms* James Smith McMaster, 1901 *The Southern Banker*, 1929 *The American State Reports* Abraham Clark Freeman, 1899 **Men of Mark in Georgia** William J. Improper Payments by Private Foundations to Government Officials United States. Congress. Senate. Committee on Finance, 1969 **Class Interruptions** Robin Brooks, 2021-12-20 As downward mobility continues to be an international issue, Robin Brooks offers a timely intervention between the humanities and social sciences by examining how Black women's cultural production engages debates about the growth in income and wealth gaps in global society during the late twentieth and early twenty-first centuries. Using an interdisciplinary approach, this innovative book employs major contemporary texts by both African American and Caribbean writers: Toni Morrison, Gloria Naylor, Dawn Turner, Olive Senior, Oonya Kempadoo, Merle Hodge, and Diana McCauley to demonstrate how neoliberalism within the broader framework of racial capitalism reframes structural inequalities as personal failures, thus obscuring how to improve unjust conditions. Through interviews with authors, textual analyses of the fiction, and a diagramming of cross-class relationships, Brooks offers compelling new insight on literary portrayals of class inequalities and division. She expands the scope of how the Black women's literary tradition since the 1970s has been conceptualized by repositioning the importance of class and explores why the imagination matters as we think about novel ways to address long-standing and simultaneously evolving issues. *Clingman's Brigade in the Confederacy, 1862-1865* Frances Harding Casstevens, 2002-01-01 On November 11, 1862, Brigadier General Thomas Lanier Clingman, despite a lack of formal military training, was named commander of four regiments sent to North Carolina to prevent Federal troops from making further inroads into the state. Clingman has been called one of North Carolina's most colorful and controversial statesmen, but his military career received little attention from his contemporaries and has been practically ignored by later historians. This work determines the effect Clingman's Brigade had on various battles and in various defensive positions. It also corrects falsehoods by providing a more accurate portrayal of Clingman, the brigade, and

the problems it faced Chapters are devoted to Clingman in his civilian life and his military life battles fought by the brigade and the four regiments Appendices include Clingman s two order books detailing general and specific orders a roster of his officers and miscellaneous letters **The Weekly Underwriter** ,1915 *People and Things from the Walker County, Alabama Jasper Mountain Eagle (1910 - 1913)* Robin Sterling,2016-01-12 This fifth volume of news clippings from the historic issues of the Walker County Jasper Mountain Eagle spans the years 1910 through 1913 Practically every issue from the time period is represented All other issues are represented Missing issues include Feb 21 and Dec 11 from 1912 and Jun 25 and Nov 26 from 1913 These clippings from the Mountain Eagle come from microfilm purchased from the State Archives in Montgomery Every issue of the Eagle was examined column by column to capture all available information regarding births deaths marriage notices and relevant news items and information regarding the early history of Walker County and the surrounding area Death notices were compared against available cemetery records at FindAGrave com and were annotated The history of Walker County is written in the pages of its early newspapers This book will be a valuable asset to the serious student of Walker County genealogy and history *Investigation, Disposition of Surplus Property: Hearings, July 12-Sept. 6, 1946* United States.
