Outwitting the Devil® Action Guide Napoleon Hill, 2022-01-18. Regain control over your own mind and conquer once and for all the negative influences in your environment with Napoleon Hill's *Outwitting the Devil Action Guide*. After publishing his all-time bestseller *Think and Grow Rich*, Hill found himself plagued by indecision and unable to fully implement his own success principles. Forced to consult the Devil to understand the larger forces at work upon an individual, Hill discovered the greatest of all principles: a natural law that grants or denies humans spiritual and economic freedom depending on how they use their mind. What emerges is an achievement philosophy that challenges the accepted wisdom of civilization and identifies independence of thought and harmonious relationships as the secret to freedom and success. Hill recorded his interview with darkness in *Outwitting the Devil*, which remained unpublished for 70 years later because of its controversial ideas. Truth is often embedded in stories we don't want to hear. The Devil won for a span of time, but the victory is no longer his. The keys to freedom of thought and

abundance in all domains of life are now available to you This summary and action guide equips you to chart your own path to self determination using Hill s discoveries as your roadmap The book is organized into 20 core success concepts whose mastery will help you harness the power of your thoughts and make nature s greatest law work in your favor Although suitable for individual study readers will find the most benefit from discussing the principles in the context of a study group or book club So clear your mind of preconceived notions and dominant societal narratives and prepare yourself to be taken on a journey of self discovery that will restore power over your mind so that you can make life pay off on your own terms
