peasants to kings They'll discover how they can channel their passion for fashion and history into work in the real world Seeing how the craft of costuming requires not only research but also teamwork budgeting and attention to detail will reinforce good practices that transcend careers *Fan CULTure* Kristin M. Barton, Jonathan Malcolm Lampley, 2013-11-21 *Fan CULTure* explores how present day fans interact with the films television shows books and pop culture artifacts they love From creating original works of fanfiction to influencing the content of major primetime series through social media fans are no longer passive consumers They have evolved into active participants in creating and shaping these works The all new essays in this collection provide in depth analyses of how fans interact with such popular franchises as Harry Potter *Lost* *Supernatural* *Lord of the Rings* and Joss Whedon's *Serenity* and examines as well topics not based on media like fans of LEGO building blocks Disneyland and NFL quarterback Tim Tebow **Catholic Literature and Film** Nancy Enright, 2016-11-21 *Catholic Literature and Film* Incarnational Love and Suffering is meant to be considered as a work of literary criticism not film adaptation studies In it the author explores six literary works dealing with Catholic themes and the film versions of these works The discussion of the films is at the service of analyzing the texts Underlying all the discussions is an incarnational sacramental view of the texts which links to my interpretation of the film versions of them Catholic and actually any Christian interpretation of literature or film or any other art form is rooted in an iconic and sacramental understanding of imagery as a means of conveying the sacred Catholic spirituality lends itself to this sort of approach as it is deeply rooted in the ability to see sacred things through physical means A key sub theme is romantic love in connection with salvation which Charles Williams one of the Inklings the group of British writers including J R R Tolkien and C S Lewis who met and discussed literature and theology calls the theology of romantic love as well as the sub themes of redemptive suffering and grace My interest in the book is not an analysis of cinematography per se but on the films as vehicles for religious ideas What makes this approach unique is that it doesn't deal with only faith and film as Peter Frazer does very well in his book *Images of the Passion The Sacramental Mode in Film* for example it also goes beyond the realm of strict literary criticism in its tackling of how religiously oriented works of literature are affected by the transformation into film

J. R. R. Tolkien's Sanctifying Myth Bradley J. Birzer, 2014-05-13 Since the appearance of The Lord of the Rings in 1954 J R R Tolkien's works have always sold briskly appealing to a wide and diverse audience of intellectuals religious believers fantasy enthusiasts and science fiction aficionados Now Peter Jackson's film version of Tolkien's trilogy with its accompanying Rings related paraphernalia and publicity is playing a unique role in the dissemination of Tolkien's imaginative creation to the masses Yet for most readers and viewers the underlying meaning of Middle earth has remained obscure Bradley Birzer has remedied that with this fresh study In J R R Tolkien's Sanctifying Myth Understanding Middle earth Birzer explains the surprisingly specific religious symbolism that permeates Tolkien's Middle earth legendarium He also explores the social and political views that motivated the Oxford don ultimately situating Tolkien within the Christian humanist tradition represented by Thomas More and T S Eliot Dante and C S Lewis Birzer argues that through the genre of myth Tolkien created a world that is essentially truer than the one we think we see around us every day a world that transcends the colorless disenchantment of our postmodern age A small knowledge of history Tolkien once wrote depresses one with the sense of the everlasting weight of

human iniquity As Birzer demonstrates Tolkien s recognition of evil became mythologically manifest in the guise of Ringwraiths Orcs Sauron and other dark beings But Tolkien was ultimately optimistic even weak bumbling hobbits and humans as long as they cling to the Good can finally prevail Bradley Birzer has performed a great service in elucidating Tolkien s powerful moral vision **The Hobbit: The Battle of the Five Armies Official Movie Guide** Brian Sibley,2014-11-11 Provides a behind the scenes look at the cast crew creatures costumes and special effects featured in the final film of the The Hobbit trilogy directed by Peter Jackson and starring Ian McKellen Cate Blanchett and Billy Connolly Original 100 000 first printing **The Publishers Weekly** ,2002 **The Fellowship of the Ring** Brian Sibley,2001 This movie guide features photos on every spread It is packed with interviews with the cast and crew background to the film features on special effects monsters and make up and also how Peter Jackson s vision became a reality Biography Today Vol. 11 No. 1 Omnigraphics,2002 Contains alphabetically arranged biographical sketches of well known authors of books for young readers The Lord of the Rings Official Movie Guide Brian Sibley,2001 An illustrated behind the scenes guide to the film version of The Lord of the Rings featuring colour photos of the cast locations sets monsters and costumes and an overview of the making of the film trilogy since the mid 1990s Designed as a celebration of the films it includes double page photo spreads showing exclusive photographs in detail *The Lord of the Rings* Ernest Mathijs,2006 Bringing together leading scholars in the fields of media and film studies to explore the various strategies and implications underlying the global presence of Lord of the Rings this book covers different national contexts and presents a lively and diverse combination of textual historical and empirical study
