The House Of James Expat:

The House of James - Expat James C. Logsdon, 2014-10-18 James Logsdon moved to the Republic of the Philippines to start a new life. The Experience of Expatriate English Language Teaching David B. Wilson, 2025-05-24 This is a unique applied linguistic study which demonstrates that the history of TEFLers is very different from the history of TEFL. Instead of studying theories of language learning and teaching it explores the experience of being a TEFLer through the ages using a wide range of fictional and fictive sources: novels, plays, biographies, memoirs, essays and poems. Part One considers the present and recent past through an analysis of 15 fictional works and five memoirs. Part Two is concerned with the experiences of some historical iconic figures from the world of TEFL beginning with the sixteenth century and ending with figures associated with the British Council and International House. Along the way one meets Victorian governesses, Berlitz teachers and literary figures from the inter War Golden Age of travel. Interposed are some of the experiences of the author garnered during his long and varied career as an expatriate TEFLer.
