S. Koteliansky, Gilbert Cannan, 2009-01 Originally published New York C Scribner's sons 1917 **The House with the Mezzanine** Anton Pavlovich Chekhov, 1917 The House with the Mezzanine: and Other Stories Anton Chekhov, Archibald Lee Fletcher, 2020-07-27 **The House with the Mezzanine and Other Stories** Anton Chekhov, 2015-07-10 IT happened nigh on seven years ago when I was living in one of the districts of the J province on the estate of Bielokurov a landowner a young man who used to get up early dress himself in a long overcoat drink beer in the evenings and all the while complain to me that he could nowhere find any one in sympathy with his ideas He lived in a little house in the orchard and I lived in the old manor house in a huge pillared hall where there was no furniture except a large divan on which I slept and a table at which I used to play patience Even in calm weather there was always a moaning in the chimney and in a storm the whole house would rock and seem as though it must split and it was quite terrifying especially at night when all the ten great windows were suddenly lit up by a flash of lightning The House with the Mezzanine and Other Stories Anton Chekhov, 2016-01-14 Anton Chekhov 1860 1904 may have suffered an untimely death but he squeezed the most out of his 44 years of life Chekhov was a Russian physician dramatist and author who is considered to be one of the greatest writers in history particularly in the genre of short stories Chekhov's major innovation near the end of the 19th century was in what became known as stream of consciousness writing in which he eschewed common traditional story structure and simply wrote as though he was thinking aloud Renowned writers like James Joyce and William Faulkner would eventually run with this theme producing classics in the same vein Chekhov was one of Russia's most famous and popular writers in his time producing well received works like *The Lady with the Dog* and *The Bishop* The House with the Mezzanine and Other Stories Anton Pavlovich Chekhov, 2024-12-24 Step into the world of Anton Pavlovich Chekhov's *The House with the Mezzanine and Other Stories* a collection of deeply emotional and thought provoking tales that capture the human experience in all its complexity Known for his sharp insight into human nature Chekhov presents a tapestry of life through stories filled with quiet moments unspoken desires and the subtle drama of everyday existence In the title story *The House with the Mezzanine* Chekhov weaves a tale of art love and societal conflict set in a rural landscape where a painter's relationship with two sisters changes the course of their lives The other stories in this collection written with Chekhov's characteristic simplicity and depth reflect his mastery in portraying human frailty and the beauty of fleeting moments But here's the question that will intrigue you Can unspoken feelings and missed opportunities reveal more about life than grand
