Timber Harvesting, 1995 *Myths and Realities* Yoshifumi Tamada, 2009 This study now in paperback traces the root of Thailand's current political instability back to the 1990s It challenges the prevailing view that the nation's democratization process during the decade was led by the active middle class The book argues that the key role played by the middle class was moderation rather than promotion of democracy The middle class achieved discursive power after the May 1992 incident and prevented the numerical majority of the population rural residents and urban lower class people from gaining the hegemony With competing forces in Thai politics under the microscope and with a particular focus on passive political actors *Myths and Realities* shows that the appeasement of the opponents of democratization is no less crucial than the emergence or empowerment of its proponents The Japanese original of *Myths and Realities* won an Ohira Masayoshi Memorial Prize in 2003 Spaceling Doris Piserchia, 2012-12-21 The ability to see other dimensional rings that float in Earth's atmosphere was a late mutation of a few space age humans Daryl was under the care of the institution for muters and she had discovered that if you jumped through the right ring at the right time it would land you in another dimensional world and another shape Spaceling is the story of Daryl's desperate efforts to unravel the mystery of why she was being held captive and of what was really going on in a certain alien dimension Because she was sure it was all bad and that someday everyone would thank her for the revelation But instead everyone was engaged in a wild effort to hold her down to keep her on this Earth and to keep the world simply intact **Derecho** G.A. Franks, 2021-12-06 The year is 2121 and the Earth has endured a catastrophic century of global pandemics conflict and climate change All international borders are closed and the United Kingdom is no more There is only New Britain a privately run country governed by Aloysius Kroll the enigmatic CEO of the megacorp Kaoteck Gideon Rayne and the surviving members of Cobra Team have discovered Kroll's deception The evil despot plans to use the Cobras and their powerful quantum armour to forge a new British Empire and he's prepared to sacrifice the entire population of New Britain in the process The young Cobras know they must free themselves from Kroll's grasp but the all seeing gaze of the company A.I. ADA makes escape from the Kaoteck pyramid seem impossible To make matters worse the presence of a mysterious new class of armour clad warrior raises questions that just might be best left unanswered It seems the echoes of the past have caught up with Gideon and there's a price to be paid Following directly on from the events of the bestselling *Maelstorm* Gideon Rayne Book 1 *Derecho* is a gritty action packed adventure that twists and turns as it draws you into a breathless race against time in a world where tragedy is waiting around every corner and the stakes are impossibly high Once Removed Colette Sartor, 2019 The women in the linked short story collection *Once Removed* carry the burdens imposed in the name of intimacy the secrets kept the lies told the disputes initiated as well as the joy that can still manage to triumph A singer with a damaged voice and an assumed identity befriends a silent troubled child an infertile law professor covets a tenant's daughterly affection a new mother tries to shield her infant from her estranged mother's surprise Easter

visit an aging shopkeeper hides her husband's decline and a decades old lie to keep her best friends from moving away With depth and an acute sense of the fragility of intimate connection Colette Sartor creates stories of women that resonate with emotional complexity Some of these women possess the fierce natures and long vengeful memories of expert grudge holders Others avoid conflict at every turn or so they tell themselves For all of them grief lies at the core of love *Popular Educator*, 1919 Readers' Guide to Periodical Literature, 1912 **Cue**, 1947 Daily Report, 1979 **Agent's Casualty Guide** Harold F.
