Brothers for Life M. Franklin Parrish,2025-03-21 *Brothers for Life* is a true story of the hardships and momentous events that two brothers Myles F Parrish my Father and Richard K Parrish my Uncle experienced together from early childhood and throughout their entire lives It is a narrative of faith hope tenacity and the willingness of two brothers to risk everything in their determination to overcome all adversities Each brother was driven by some deeply embedded inner psyche to prove to himself to his family and to the community writ large that he could not only survive but that he would also be a victor in the midst of strife Each chapter begins with a time capsule which helps the reader understand what other events were happening in America beyond the confines of that small Midwestern town where I grew up Decatur Indiana The first chapter steps back in time with the wounding of the brothers Grandfather on a Civil War battlefield Thereafter the reader will relive the brothers mutually life altering experiences in early childhood witness their behavior and resourcefulness during the Great Depression followed by their call to arms in the Second World War As the postwar decades unfolded the two brothers continued to experience a series of personal and professional successes as well as shared sorrows all in light of the remarkable time in which they lived This entwined epic tale of two determined brothers is also the chronicle of an American family s generational struggles scares setbacks and successes Their story in many ways mirrors that of our own nation in its continued quest for a more perfect union The Christian Leader ,1929 Bible Society Record ,1952 **Teacher** ,1979
