Revolution Leo Panitch, Greg Albo, 2016-12 One hundred years ago October 1917 galvanized leftists and oppressed peoples around the globe and became the lodestar for 20th century politics Today the left needs to reckon with this legacy and transcend it Social change as it was understood in the 20th century appears now to be as impossible as revolution leaving the left to rethink the relationship between capitalist crises as well as the conceptual tension between revolution and reform Populated by an array of passionate thinkers and thoughtful activists Rethinking Revolution reappraises the historical effects of the Russian revolution positive and negative on political intellectual and cultural life and looks at consequent revolutions after 1917 Change needs to be understood in relation to the distinct trajectories of radical politics in different regions But the main purpose of this Socialist Register edition one century after Red October is to look forward to what might happen next Acclaimed authors interrogate and explore compelling issues including Greg Albo New socialist strategies or detours Jodi Dean Are the multitudes communing Revolutionary agency and political forms today Adolph Reed Are racial minorities revolutionary agents Zillah Eisenstein Revolutionary feminisms today Nina Power Accelerated technology decelerated revolution David Schwartzman Beyond global warming Is solar communism possible Andrea Malm Revolution and counter revolution in an era of climate change Understanding Minerals & Crystals Bruce Cairncross, 2015-09-01 Minerals are the building blocks of rocks they make up the solid Earth's crust Understanding Minerals and it discusses the nature and classification of these crystals and includes a mineral identification key The second part of the book contains detailed descriptions of some 80 common and important minerals including how they were named their properties ID pointers uses and where in the world they are found All are lavishly illustrated with full colour photographs This book will be invaluable to those interested in any of the earth sciences or in mineral crystal collecting from academics and students to general enthusiasts Promoting sustainable local economic development initiatives Marius Venter, 2022 This book endeavours to outline case studies that promote sustainable Local Economic Development LED initiatives It is generally believed that local governments are the foot soldiers of LED However this seems to be a myth as local governments in South Africa and

elsewhere have not yet fulfilled this mandate and have been struggling for several years to implement LED initiatives The distinctive merit of this book lies in the way it combines the South African context with the wider international development context in ways that there is a flow of information and ideas both ways The book is an essential part of this sequence of ideas development and action at a critical time for strategic action directed at a sustainable future It showcases case studies and responses to the impacts of globalisation as a bridge between urban rural and institutional action and reveals avenues for local government leadership in communities research student engagement and wider interactions Usability and User Experience Tareq Ahram and Christianne Falcão, 2023-07-19 Proceedings of the 14th International Conference on Applied Human Factors and Ergonomics AHFE 2023 July 20-24 2023 San Francisco USA **Large Meteorite Impacts and Planetary Evolution VI** Wolf Uwe Reimold, Christian Koeberl, 2021-09-23 This volume contains a sizable suite of contributions dealing with regional impact records Australia Sweden impact craters and impactites early Archean impacts and geophysical characteristics of impact structures shock metamorphic investigations post impact hydrothermalism and structural geology and morphometry of impact structures on Earth and Mars Stolen Child - In-Between Adele DeGirolamo, 2015-09-04 This is the second novel that belongs to the Stolen Child Tale This book finds us where book one has left off and takes us into the Realm of the Space In Between the Land of the Selkies and their unusual World where Kashandarhh the Witch's father lives It is here she travels to warn him of the Sling's arrival back into their land and to ask him to help her bring the Ka afrey Covens together to keep the creature away from finding the last two remaining offspring of the Tuatha De Danann Meanwhile Sibrey who has been able to escape the Tracker who was hunting her has been taken into the Kingdom of the Sky People while the Dragon Lords sent to protect her have started to go missing along the edges of their home land This tale also introduces you to the Dark Sidhe Queen who has taken two of the Dragon Lords prisoner down below in her Dark World just as the Dragons themselves start to disappear from the Continent of Water's Deep **Gene Roddenberry's Star Trek** Douglas Brode, Shea T. Brode, 2015-05-14 When it premiered on NBC in September 1966 Star Trek was described by its creator Gene Roddenberry as Wagon Train to the stars Featuring a racially diverse cast trips to exotic planets and encounters with an array of alien beings who could be either friendly or hostile the program opened up new vistas for television Along with The Twilight Zone and The Outer Limits Star Trek represented one of the small screen's rare ventures into science fiction during the 1960s Although the original series was a modest success during its three year run its afterlife has been nothing less than a cultural phenomenon To celebrate the show's debut fifty years later it's time to reexamine one of the most influential programs in history In Gene Roddenberry's Star Trek The Original Cast Adventures Douglas and Shea T Brode present a collection of essays about the series and its various incarnations over the years Contributors discuss not only the 1960s show but also its offshoots ranging from novels and graphic novels to toys and video games as well as the films featuring Captain Kirk Mr Spock and the rest of the Enterprise crew Essays address the show's

religious implications romantic elements and its role in the globalization of American culture Other essays draw parallels between the series and the Vietnam War compare Star Trek II to Milton's Paradise Lost posit Roddenberry as an auteur and consider William Shatner as a romantic object With its far reaching and provocative essays this collection offers new insights into one of the most significant shows ever produced Besides television and film studies Gene Roddenberry's Star Trek a companion volume to The Star Trek Universe will be of interest to scholars of religion history gender studies queer studies and popular culture not to mention the show's legions of fans

Interest Groups, Water Politics and Governance Richard Meissner, 2015-07-08 The book investigates the role interest groups have played over the years to influence the governments of Lesotho and South Africa the World Bank and project implementation authorities in changing some policy aspects of the Lesotho Highlands Water Project LHWP Some of the issues being agitated by the interest groups are the resettlement of villagers where some of the dams for the projects are being constructed The author argues that interest groups and individuals have the ability to influence the above mentioned institutions and to such an extent that water politics and governance is not the domain of state institutions only

Historical Dictionary of South Africa Christopher Saunders, Peter Limb, 2020-12-15 As the most influential and powerful country on the entire continent of Africa an understanding of South Africa's past and its present trends is crucial in appreciating where South Africans are going to and from where they have come South Africa changed dramatically in 1994 when apartheid was dismantled and it became a democratic state Since 2000 when the previous edition appeared further big changes occurred with the rise of new political leaders and of a new black middle class There were also serious problems in governance in public health and the economy but with a remarkable popular resilience too This third edition of Historical Dictionary of South Africa contains a chronology an introduction and an extensive bibliography The dictionary section has more than 600 cross referenced entries on important personalities as well as aspects of the country's politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about South Africa
