Answer Nothing. But fate brought them together on a vacation five years ago and as Logan and Sloane prepare for their annual get together there are sparks flying between them. Sloane Sanders knows exactly what she wants her dream man to wear when he picks her up for a hot date. She reads about them five days a week after bringing home the bacon by selling houses. They're always dressed nicely and they bring flowers along with the sexy scent of their cologne. When Logan Murphy Sloan's accidental best friend pulls up for their annual trip to the Florida Keys he's not wearing the right thing and carries no flowers but he does smell the way Sloane imagines her boyfriend would. She's never thought that about Murph before and she doesn't know that he writes those overly romantic heroes she spends her evenings reading about. He's never told her what he does for a living and since Sloane is bubbly and bright while he's looking at the empty part of the glass he hasn't had to answer too many questions about his job. But he finds he wants to. He wants Sloane in his life more than once a year and he's started penning a happily ever after for the two of them. This year he tells himself as his crush on the vibrant woman is at least three years old now. If only he knew how to tell her. This is a standalone slow burn travel romance that will make you smile gasp and cheer for Logan and Sloane as they figure out who they are and who they want at home or on vacation.
