Friends' Intelligencer ,1913 *Eco-Thoughts* Anna Lisa Tota,2024-10-08 What if the pollution of the world did not only concern the environment in which we live but also the flow of our thoughts in every moment of everyday life What if those thoughts invasive like locusts could transform and become eco thoughts that make us and others feel good Ecology concerns us from the inside passes through us and literally shapes us what is inside is outside This book offers eco words and eco thoughts as it sheds light on the traps that our minds construct for ourselves that we so often fall into whether we mean to or not It examines the erroneous paths that we sometimes meander down while we are thinking in our everyday lives in order to help us to identify and avoid them The thoughts we formulate are not really ours as if our mind prefers to flow in what has already been thought lived and felt The author offers her reflections and insights to those who wish to direct their minds towards streams of thought that really do belong to us that make us feel good In order to do this we must learn how to disable the traps and free ourselves of what is contaminating before they take hold and harm us An original and thought provoking examination of how are own internal lives can become toxic and how to prevent this that will be of particular value to students and scholars of sociology philosophy communication studies memory studies and social psychology

Paranjape,2016-01-22 India s global proximities derive in good measure from its struggle against British imperialism In its efforts to become a nation India turned modern in its own unusual way At the heart of this metamorphosis was a colourful cosmopolitanism the unique manner in which India made the world its neighbourhood The most creative thinkers and leaders of that period reimagined diverse horizons They collaborated not only in widespread anti colonial struggles but also in articulating the vision of alter globalization universalism and cosmopolitanism This book in revealing this dimension offers new and original interpretations of figures such as Kant Tagore Heidegger Gandhi Aurobindo Gebser Kosambi Narayan Ezekiel and Spivak It also analyses cultural and aesthetic phenomena from the rasa theory to Bollywood cinema explaining how Indian ideas texts and cultural expressions interacted with a wider world and contributed to the making of modern India

A Critical Dictionary of English Literature, and British and American Authors, Living and Deceased, from the Earliest Accounts to the Middle of the Nineteenth Century Samuel Austin Allibone,1870 *The Memorial History of Boston* Justin Winsor,Clarence F. Jewett,1881 The Battle for the Sabbath in the Dutch Reformation Kyle J. Dieleman,2019-01-21 Kyle J Dieleman focuses on the doctrinal and practical importance of Sunday observance in the

early modern Reformed communities in the Low Countries My project investigates the theological import of the Sabbath and its practical applications The first step is to focus on how Dutch Reformed theologians conceived of the Sabbath The theology of the Sabbath I argue moves over time from an emphasis on spiritual rest to participating in the ministries of the church to a strict rest from all work and recreation The next step is to explore congregants actual Sunday practices By attending to church governance records at the national regional and local levels the importance of proper Sabbath observance quickly becomes clear The provincial synod records classes records and consistory records indicate that church authorities were adamant that church members faithfully attend sermon and catechism services refrain from sinful practices and abstain from recreational activities Equally as telling as the observance demanded of church members is how church authorities responded The church records portray these authorities as fretting over the disordered and unregulated nature of improper Sabbath observance Having established the importance of the Sabbath in Dutch Reformed theology and lived piety I argue the emphasis on Sunday observance is best understood as resulting from two main factors First the emphasis on proper Sunday observance is a result of the Reformed church authorities attempting to maintain the pious reputation of the Reformed faith and establish the identity of the Reformed Church amid multiple other confessional identities Second proper observance of the Sabbath was important because it ensured order within the church and society more broadly
