The Coal Catalog ,1919 **Raman Amplifiers for Telecommunications 1** Mohammad N. Islam, 2007-06-30 I remember vividly the first time that I heard about the erbium amplifier At that time of course it was the erbium doped erbium amplifier the predecessor of the Raman amplifier that is the subject of this book It was an early morning in a forgotten year in Murray Hill New Jersey at one of our Bell Labs monthly research staff meetings About twenty directors and executive directors of research organizations clustered around a long table in the imposing executive conference room Arno Penzias the vice president of research presided at the foot of the table Everyone who participated in those research staff meetings will long remember their culture and atmosphere Arno would pick an arbitrary starting point somewhere around the table and the designated person would head to the front of the table to give a short talk on something new in his or her research area This first speaker would invariably fiddle helplessly with the controls embedded in the podium that controlled the viewgraph projector but eventually we would hear machinery grinding in the back room as a large hidden mirror moved into place We would all wait quietly arranging and choosing our own viewgraphs from the piles that lay on the table in front of every participant
