

A close-up photograph of a Smit GS98 industrial machine. The machine is primarily silver with blue accents. A red logo, consisting of three stylized, overlapping lines, is positioned to the left of the brand name. The text "SMIT" is in a bold, blue, sans-serif font, and "GS98" is in a similar blue font. Above the main body of the machine, there is a control panel with several buttons and a small digital display. The machine is processing a dark blue material, likely a textile or fabric, which is being fed into a cutting or sewing mechanism. The background shows a factory floor with some debris and other industrial equipment.
