Rape-Revenge Films Alexandra Heller-Nicholas, 2021-04-12 Often considered the lowest depth to which cinema can plummet the rape revenge film is broadly dismissed as fundamentally exploitative and sensational catering only to a demented regressive demographic This second edition ten years after the first continues the assessment of these films and the discourse they provoke Included is a new chapter about women directed rape revenge films a phenomenon that revitalized since MeToo exploded in late 2017 is a filmmaking tradition with a history that transcends a contemporary context Featuring both famous and unknown movies controversial and widely celebrated filmmakers as well as rape revenge cinema from around the world this revised edition demonstrates that diverse and often contradictory treatments of sexual violence exist simultaneously

The Political in Margaret Atwood's Fiction Theodore F. Sheckels, 2016-02-24 Suggesting that politics and power are at the center of Margaret Atwood's fiction Theodore F Sheckels examines Atwood's novels from *The Edible Woman* to *The Year of the Flood* Whether her treatment is explicit as in *Bodily Harm* and *The Handmaid's Tale* or by means of an exploration of interiority as in *Cat's Eye* and *The Robber Bride* Atwood's persistent concern is with how the empowered act towards those who are constrained within the political economic and social institutions that facilitate power dynamics Sheckels identifies an increasing sophistication in Atwood's exposition of power over time that is revealed in the later novels engagement with social class postcolonialism and a globalism that merges science and commerce as issues relevant to politics and power Acknowledging that Atwood is not a political theorist but a novelist Sheckels does not suggest that her work should be viewed as political commentary but rather as a creative

treatment of the laudable but ultimately only partially successful ways in which women and other groups resist the constraints placed on them by institutionalized oppression

The Great Indian Love Story Ira Trivedi, 2009-09-10 A darkly fascinating snapshot of the glittering and brittle lives of the rich and famous of Delhi, its glamorous page 3 swish set. *The Great Indian Love Story* is set in a world where appearances mean everything and nothing is as it seems. There's no time for love in a world that revolves around the latest Ferraris, the hottest nightclubs, diamonds, single malts, cocaine and ecstasy. In this whirl of wild parties, sex and drugs, we meet Serena Sharma, who lives her life one debauched night at a time, always falling for the wrong men. Her life is a roller coaster ride: her father's death followed by her mother's remarriage, a broken heart and a lost love. Adding to this is her torrid affair with Amar Khanna, a trophy husband, coke addict and serial adulterer. Riya, jaded by her unsuccessful attempt to find a job in America, returns to Delhi to find the city of her childhood changed beyond recognition. Striking an unlikely friendship with Serena, Riya finds her complacent torpor shattered. *The Great Indian Love Story* is also the story of Parmeet, Serena's mother, who looks for passion outside her marriage with disastrous consequences, and S P Sharma, Parmeet's husband, who is driven to violence by her infidelity. Ira Trivedi weaves together sex, revenge, glitz, friendship and a chilling murder to create a potent cocktail in this gripping novel on the perfidious nature of love and power.

#MeToo for Women and Men Jane Meyrick, 2022-06-20 *MeToo for Women and Men* provides an overview of sexual violence and an accessible guide to the MeToo movement, presenting a timely look at the evidence from diverse fields. Its evidence-based approach builds upon public health and health psychology principles to increase the reader's understanding of sexual bullying and aims to help inform the building of safer communities. The book identifies patterns of sexual harassment and considers how sexual bullying can be used to express power. Intended to widen readers' knowledge of the causes and impacts surrounding sexual harassment and abuse, the book encourages open discussion of these topics to enable society to move closer to combating it. Using first person accounts alongside evidence of both individual behaviours and the ways the topic is dealt with in laws, institutions, cultures and organisations, the book ensures that voices of survivors and their experiences are emphasised throughout. A wide audience of public, professional, academics and clinicians will benefit from the book's extensive look into the impact sexual harassment has on survivors and its insight into how connections across a range of fields help us to understand but more importantly prevent perpetration and victimisation. This

guide is also for non academics wanting to understand what MeToo means what it tells us about prevention and how to address the increasing problem of sexual harassment violence and abuse

Unmanly Men Brittany E. Wilson, 2015 New Testament scholars typically assume that the men who pervade the pages of Luke's two volumes are models of an implied manliness. Scholars rarely question how Lukan men measure up to ancient masculine mores even though masculinity is increasingly becoming a topic of inquiry in the field of New Testament and its related disciplines. Drawing especially from gender critical work in classics, Brittany Wilson addresses this lacuna by examining key male characters in Luke Acts in relation to constructions of masculinity in the Greco-Roman world. Of all Luke's male characters, Wilson maintains that four in particular problematize elite masculine norms: namely Zechariah, the father of John the Baptist, the Ethiopian eunuch, Paul, and above all, Jesus. She further explains that these men do not protect their bodily boundaries nor do they embody corporeal control, two interrelated male gender norms. Indeed, Zechariah loses his ability to speak, the Ethiopian eunuch is castrated, Paul loses his ability to see, and Jesus is put to death on the cross. With these bodily violations, Wilson argues, Luke points to the all-powerful nature of God and in the process reconfigures or refigures men's own claims to power. Luke, however, not only refigures the so-called prerogative of male power but he refigures the parameters of power itself. According to Luke, God provides an alternative construal of power in the figure of Jesus and thus redefines what it means to be masculine. Thus, for Luke, real men look manifestly unmanly. Wilson's findings in **Unmanly Men** will shatter long-held assumptions in scholarly circles and beyond about gendered interpretations of the New Testament and how they can be used to understand the roles of the Bible's key characters.

Forbidden Sex, Forbidden Texts Hoshang Merchant, 2009 Includes depiction of homosexuality in theater and motion pictures also

To Watch Theatre Rachel Fensham, 2009 This book is about watching theatre and how to utilise a corporeal semiotics to read genres of contemporary theatre. It suggests that three key concepts interact: genre, the formal term that structures theatricality including the textual grammar of a dramatic work, its performance style, theatrical frame and mode of rhetorical address, corporeality, an assemblage of the troubling physical work of the actors, the figurative forms in the text, and the ambivalent bodies of the spectators and performance, the presenting of theatre as symbolic action in the social world. In order to develop new models of embodied spectatorship, these essays examine canonical productions of *Medea*, *King Lear*, *Miss Julie*, *Genesi*. The Museum of Sleep directed by Deborah Warner, Barrie Kosky, Anne Bogart, and Romeo Castellucci. With close attention to bodies and texts in performance, the book argues that to watch theatre is an intimate yet political attunement to processes of human transfiguration. It concludes by offering a reinvigorated perspective on tragedy and tragic experience in the theatre.
