

Man vs. man: sniper vs. his enemy and the informant.

Man vs. self: sniper being about sniper realizing he's killed his brother.

9. What is the climax of "The Sniper"?

The climax occurs when the sniper takes over the body of his victim, only to discover that it is his brother.

10. What is the theme of this story?

*While war may be necessary, it is also wicked.
In war, people must kill or be killed.
Sometimes a decision may cause regret. War may lead to pain and destruction.
Sometimes the world is very small.
The moment a person is in war, the better chance he/she has at survival.*

11. List two examples of imagery.

*"The blood was oozing from the sleeve of his coat."
"He broke the neck of the Indian bottle and let the bitter fluid drip into the wound."
"Machine guns and rifles broke the silence of the street."*

Answers will vary.

12. Discuss the dialogue.

There is no dialogue except when the sniper says to himself, "I'm hit."

13. What is the main character's motivation for his actions?

*Because the sniper felt guilty, he wanted to see who he had killed on the rooftop.
He was defending his cause. He wanted to get rid of the enemy.
He wanted his country to be free. He wants to stay alive.*

Answers may vary.

14. Compare the Irish Civil War with the American Civil War. Provide three answers.

Both caused deep divisions within their country; family members fought against family members; animosity between the adversaries continued long after both wars ended.

15. The protagonist in "The Sniper" is a soldier in a civil war. Using the context of events in the story, discuss how a reader may view him: as a combatant who is forced to participate in the conflict as he is performing a duty for his country; as an enthusiastic supporter of a cause who desires to fight for his beliefs; as a sniper who wants to protect his country and destroy those who oppose his views; or as a young man who is too young to protect his country's policies and is impatient with his actions. Explain your position.

Answers will vary.
