Zimsec Accounting Paper 1 June 2014

**Stephen J. Morewitz, Caroline Sturdy
Colls**

Zimsec Accounting Paper 1 June 2014:

Still Counting Marilyn Waring, 2018-12-06 Underneath the numbers a philosophical judgement is always being made based on values not facts Thirty years ago Marilyn Waring's groundbreaking book *Counting for Nothing* was released Waring explained through meticulous economic analysis how the success of the global economy rests on women's unpaid work *Counting for Nothing* became a phenomenon it was read and discussed around the world and even made into a film Today many people hope that the shift to a wellbeing approach moving beyond narrow economic indicators when assessing New Zealand's progress will mean women's work is finally valued fairly But what does Marilyn Waring make of it This short book provides an essential assessment of wellbeing economics from a leading feminist scholar *Accounting for Biological Assets* Rute Gonçalves, Patrícia Lopes, 2017-10-16 This book explores accounting for biological assets under IAS 41 Agriculture and explains the recent adjustments introduced by the IASB which allow firms to choose between cost or revaluation models concerning mature bearer plants Identifying the firm and country level drivers that inform the disclosure and measurement practices of biological assets this concise guide examines the value relevance of measuring those assets at fair value It also analyses how firm and country level drivers explain the differences in the disclosure level and practices used to measure biological assets under IAS 41 Finally it evaluates whether there is a difference in the relevance of biological assets among the listed firms with high and low disclosure levels on biological assets Based on a major international study of a wide selection of firms and country level drivers this book is vital for standard setters stakeholders students accountants and auditors who need to understand disclosure and measurement practices of biological assets under IAS 41 *Handbook of Missing Persons* Stephen J. Morewitz, Caroline Sturdy Colls, 2016-12-19 This ambitious multidisciplinary volume surveys the science forensics politics and ethics involved in responding to missing persons cases International experts across the physical and social sciences offer data case examples and insights on best practices new methods and emerging specialties that may be employed in investigations Topics such as secondary victimization privacy issues DNA identification and the challenges of finding victims of war and genocide highlight the uncertainties and complexities surrounding these cases as well as possibilities for location and recovery This diverse presentation will assist professionals in accessing new ideas collaborating with colleagues and handling missing persons cases with greater efficiency and potentially greater certainty Among the Handbook's topics A profile of missing persons some key findings for police officers Missing persons investigations and identification issues of scale infrastructure and political will Pregnancy and parenting among runaway and homeless young women Estimating the appearance of the missing forensic age progression in the search for missing persons The use of trace evidence in missing persons investigations The Investigation of historic missing persons cases genocide and conflict time human rights abuses The depth and scope of its expertise make the Handbook of Missing Persons useful for criminal justice and forensic professionals health care and mental health professionals social scientists legal professionals policy leaders

community leaders and military personnel as well as for the general public

Financial Inclusion Regulatory Practices in SADC Howard Chitimira,Tapiwa Warikandwa,2023-05-25 Against a background of calls to prioritise the improvement of financial inclusion in Africa this book provides an analysis of current financial inclusion measures in Southern Africa Evaluating the existing strengths and weaknesses of financial inclusion in Africa it identifies opportunities to improve inclusive financial services and aid poverty reduction in the region With a focus on South Africa Namibia Botswana and Zimbabwe as case studies for assessing current financial inclusion in the context of particular challenges faced by unbanked and underbanked customers who are easy targets for cybercriminals due to low levels of digital literacy it looks into the regulation and promotion of financial inclusion in Southern Africa The book explores financial inclusion in the context of digital transformation in the 21st century examining the regulation and promotion of financial inclusion in the context of digital transformation as well as the challenges related to financial inclusion Suggesting improvements to aspects of company law securities and financial markets in the Southern African Development Community region the book offers a comprehensive study on the regulation and promotion of financial inclusion in the Southern African Development Community region It will be essential reading for students and academics researching financial inclusion international economic law and development

A Non-Technical Guide to International Accounting Roger Hussey,Audra Ong,2019-11-08 Business has become more international and more complex Whether you are a manager a student or someone generally interested in corporate financial information you want information and you want to understand that information Companies in all countries are required to generate financial information if for no other reason than to settle their tax obligations If you are interested in the larger companies such as those listed on a stock exchange they must make financial information public and the nature and type of that information is strictly regulated Companies must comply with accounting standards Many countries use the International Accounting Standards issued by the IFRS Foundation This is a not for profit international organization that has developed a single set of high quality global accounting standards These standards can be complex but this book explains clearly the main requirements

Digital Financial Inclusion David Mhlanga,2022-10-31 This book is unique in that it challenges scholarly views on financial inclusion and poverty reduction while also relating financial inclusion and poverty reduction to the Fourth Industrial Revolution The book deviates from the usual method of analyzing financial inclusion which relies on bank accounts or microcredit as success criteria and instead discusses how the Fourth Industrial Revolution is facilitating digital financial inclusion With a five fold goal this book investigates both past and present readings and understandings of poverty and financial inclusion To begin it provides a thorough introduction to the Fourth Industrial Revolution and financial inclusion in the context of the Fourth Industrial Revolution Second the book dives quite extensively into the theories of financial inclusion in the context of the Fourth Industrial Revolution Third the book reconstructs the theory of financial inclusion moving from traditional to digital financial inclusion highlighting the role of digital financial

inclusion in the transition from an informal financial money market to a formal financial system The fourth goal is to evaluate the tools and effects of digital financial inclusion on poverty Finally it provides case studies of digital financial inclusion and the future of digital financial inclusion in emerging and developing countries This book will be of interest to academics students and practitioners in a range of disciplines including finance development economics and consumer economics

The Service Sector and Economic Development in Africa Evelyn F. Wamboye, Peter Nyaronga, 2018-09-04 The service sector accounts for a huge proportion of global employment and is the biggest driver of gross domestic product in developing nations Yet there has been little research uncovering its scope potential and implications on sustained and inclusive economic growth This is especially true for Africa which has seen a strong growth trajectory in recent years This book presents a new frontier of research offering insightful perspectives on the 21st century realities of the service sector and its effect on economic development in Africa The analysis presented here will be of relevance to academics and policymakers with an interest in Africa's role in the global economy

Agribusiness Julian Roche, 2019-08-06 Agribusiness offers a unique introduction to the business of agriculture what agribusiness is why it matters what the role of technology is how trade fits into the picture what its key risks are who is lending and investing and why and what returns they are getting It is both practical in orientation focusing on the role of managers in the industry as well as that of lenders and investors and international in scope drawing on case studies and interviews with key figures all over the world The text ranges across various agricultural commodities to stress that there is no one size fits all solution and successful management lending or investment in agribusiness requires understanding specifics Readers are introduced to the economics of the supply and demand of food the role of agricultural trade agricultural marketing and farm management along with key business aspects including Main drivers of agribusiness value Principal risks of agribusinesses Agribusiness as an investment class and Agribusiness lending why who and how This engaging textbook offers a complete guide to the international business of agriculture which is ideal for all students scholars and practitioners A selection of eResources is also available to supplement this text and instructors will find PowerPoint slides discussion questions case studies and further teaching materials available to them

Supermarket Retailing in Africa Felix Adamu Nandonde, John L. Stanton, 2022-03-24 This book surveys the landscape of supermarket retailing in Africa showing how this expanding part of the retail sector is changing consumerism on the continent Drawing on research covering retail formats consumer behaviour strategies operation research ICT relationship marketing and market linkage the book investigates the many factors impacting the growth of supermarkets in Africa The contributors employ theories concepts and methods in order to help us to understand changing consumer behaviour the strategies used by suppliers to access supermarkets the role of service suppliers in the growth of the sector and ultimately how supermarkets can assist in making the market linkage between producers and consumers in Africa The chapters provide a comprehensive exploration of modern retail discussing its growth and future identifying consumer

preferences as well as suggesting solutions to the challenges that retailers and suppliers on the continent face in developing the sector This book will be of interest to scholars and students of the retail sector and retail management in Africa

Tourism, Change and the Global South Jarkko Saarinen, Jayne M. Rogerson, 2021-06-16 This significant volume is the first to focus on both the changing nature of tourism and the capacity of tourism to effect change especially in the Global South Geographically this changing nature of tourism is based on the transforming relationships between demand supply and location While this is nothing new in tourism recent decades have intensified the changing characteristics of global tourism From another perspective tourism represents a change and nowadays many localities and regions aim to use tourism as a tool for positive change i e development However this has turned out to be a challenging task in practice especially in the Global South context where the relationship between tourism growth and local development has often been controversial This book looks at a host of critical concepts in one volume such as growth and development adaptation and resilience sustainability and responsibility governance and planning and heritage and destination management strategies By understanding the drivers of change this book sheds new insight into the promise and role of sustainability and responsibility in tourism development This book will be of great interest to all upper level students academics and researchers in the fields of Tourism Geography and Cultural and Heritage studies

Metrics Vincanne Adams, 2016-03-05 This volume s contributors evaluate the accomplishments limits and consequences of using quantitative metrics in global health Whether analyzing maternal mortality rates the relationships between political goals and metrics data or the links between health outcomes and a program s fiscal support the contributors question the ability of metrics to solve global health problems They capture a moment when global health scholars and practitioners must evaluate the potential effectiveness and pitfalls of different metrics even as they remain elusive and problematic Contributors Vincanne Adams Susan Erikson Molly Hales Pierre Minn Adeola Oni Orisan Carolyn Smith Morris Marlee Tichenor Lily Walkover Claire L Wendland

Corruption, Sustainable Development and Security Challenges in Africa Kempe Ronald Hope, Sr., 2023-09-07 This book sheds light on Africa s development performance and dynamics arising from the interface between corruption and sustainable development on the one hand and the challenges that poses for peace security and stability Corruption also contributes to the spread of terrorism and violent extremism Pervasive corruption networks often include politicians civil servants working at all levels of state institutions representatives of the private sector and members of crime syndicates The consequences of corruption are detrimental in many aspects such as undermining governments ability to serve public interests and eroding public trust in democratic processes Presenting empirical evidence the book explains why corruption and the looting of staggering amounts of national assets undermine the achievement of the Sustainable Development Goals SDGs and has a negative impact on peace stability security the rule of law gender equality the environment and human rights This makes the book a must read for students researchers and scholars of political science international relations and economics in general as well as African

studies development studies and security sector studies in particular covering issues and themes on corruption governance socio economic sustainable development public administration and management policing in an international context police reform and security sector reform It will also serve as a helpful resource for policy makers interested in a better understanding of the connection between corruption sustainable development and security challenges in Sub Saharan Africa

Quotas - Data Update and Simulations International Monetary Fund. Finance Dept., International Monetary Fund. Statistics Dept., 2016-09-08 The quota database has been updated by one year through 2014 Overall the results of the update continue the broad trends observed in previous updates but the shifts between the main country groups are generally smaller Using the current quota formula the calculated quota share of Emerging Market and Developing Countries EMDCs as a group increases by 0.6 percentage points relative to the 2015 update to 49.3 percent which is about half the increase in the last update The paper takes stock of recent discussions on the quota formula including the outcome of the Quota Formula Review in 2013 and subsequent discussions in the context of the annual quota data updates It also updates the illustrative simulations of possible reforms of the quota formula presented previously using the latest data These simulations have sought to capture possible reforms that would be broadly in line with the conclusions of the Quota Formula Review and Directors guidance is sought on the relative merits of these reforms and the most productive areas for future work Download Quota Data Updated IMF Quota Formula Variables September 2016

Money, Credit, and Crises Nektarios Michail, 2021-01-25 While paramount to the modern economy understanding how the banking system works has been usually cast aside from overall economic education Even in the

aftermath of the recent financial crisis which has underlined the vital importance of banking in the economy the workings of the sector remain a black box To this end this book provides a comprehensive and easy to read review of the banking sector covering all issues related to commercial and investment banking and providing experienced as well as non expert readers the opportunity to expand their knowledge on these topics After going through the book readers have the opportunity to gain a deeper knowledge regarding the commercial and investment functions of the banking sector and the ability to evaluate the potential outcome of policy actions *Handbook of Research on Strategic Developments and Regulatory Practice in Global Finance* Olgu, Özlem,Dinçer, Hasan,Hacıoğlu, Ümit,2014-11-30 The global financial crisis has called to attention the importance of financial development to economic growth as modern countries continue to struggle with debt unemployment and slow growth However a lack of agreement on how to define and measure financial development slows the development of global financial systems and markets The Handbook of Research on Strategic Developments and Regulatory Practice in Global Finance creates a common framework for not only identifying but discussing the key factors in establishing a strong global market and financial system This book will be a valuable reference for those interested in an in depth understanding of the financial markets and global finance including academics professionals and government agencies and institutions
