Zimsec O Level Examination Timetable 2015:

Regime and Education in Zimbabwe Bekithemba Dube, Albert Mufanechiya, 2024-06-10 This collection focuses on the post independence educational development in Zimbabwe It shows how the ZANU PF regime has presided over the demise of education and covers a wide range of topics such as violence against teachers poor salaries student activism minority languages and curriculum innovations This volume argues that the regime has used education as a tool for repression Curriculum innovations introduced and implemented in Zimbabwe have little to do with improving the performance of the learners and more to do with stopping teachers from pushing the regime change agenda Consequently this has resulted in a nation in crisis marked with high turnover poor economy and mass exodus of teachers and learners The contributors to this volume make various suggestions which could recenter education towards addressing the experiences of the learners as opposed to being used as a tool to push repression and thwart democracy *Final Examination Timetable/schedule* University of Regina.
