*Seducing the Sitter* Emma Jade, 2019-12-05 After the children are fast asleep while babysitting Madison decides to curl up on the couch and relax She turns on the television to a list of video files on a media server Sifting through the list with practically indecipherable thumbnails with system generated names Madison presses the play button and is faced with a video of the parents that she is babysitting for Not only are these parents having sexual intercourse it quickly becomes clear to her that they are role playing and using her name No it couldn't be I must have heard wrong Once again in the throes of passion her name echoes through the speakers Oh em gee I am the object of their roleplaying Mesmerized Madison can't take her eyes off the screen The titillating erotic images the captivatingly carnal words the sensual sounds of passion she quickly finds herself breathing heavy and an uncontrollable ache growing between her legs Her hand slipped from where it had been resting on her thigh to press over the front of her shorts slowly rubbing at herself It felt wrong to be doing this to something so personal and private though they had included her in a way even if it wasn't the most conventional Little does Madison know things are about to get immensely hotter
