A Practitioner's Guide to Understanding Indigenous and Foreign Cultures George Henderson,Dorset
Spigner-Littles,Virginia Hall Milhouse,2006 **The Complete Idiot's Guide to Leadership** Andrew J. Dubrin,1997-10-15
You're no idiot of course You handle your work assignments monitor the progress of your workgroup and meet your goals But when it comes to inspiring others and creating change in your organization you're confused about what to do next Want some help The Complete Idiot's Guide to Leadership shows you how to start thinking and acting like a leader who can help people perform well and meet organizational goals for increased productivity quality and customer satisfaction Managing Hispanic and Latino Employees Louis Nevaer,2010-01-11 The first book on supporting and developing Hispanic employees in any organization Identifies three overarching concepts that shape Hispanic culture and explores how they influence workplace behavior and expectations Written by a distinguished Hispanic author and authority on Hispanic economic behavior Hispanics are the largest minority group and the fastest growing demographic in the United States they are already

15% of the population and 22% of the workforce and it is estimated that by 2050 those numbers will go up to 36% and 55% In this much needed new book Louis Naevar helps non Hispanic employers and colleagues understand how Hispanics see the business world and the world in general so they can better support and develop this dynamic group of workers Drawing on his own ethnic background and years of experience as director of the organization Hispanic Economics Nevaer identifies three concepts that shape Hispanic culture and often result in behaviors and beliefs very different than and sometimes seemingly at odds with those of non Hispanics He explores subtle nuances within the Hispanic community which is no more monolithic than the European community that will help employers appreciate differences and tensions between Hispanic workers With this as an overarching framework and using a wealth of specific examples Nevaer shows how to develop Hispanic friendly approaches in every aspect of the modern workplace from recruitment retention and evaluation to training mentoring and labor relations As Hispanics become an ever larger segment of the workforce organizations who fail to make them feel welcome and valued risk losing access to a significant source of talent and innovation not to mention a connection to a major evolving market Managing Hispanic and Latino Employees is an invaluable resource for creating an environment where Hispanic workers feel comfortable recognized and rewarded
