They make life dangerous. After the death of her parents she's been careful to keep her secret as closely guarded as possible. Now only one other person in the world knows about her age and ability. Or so she thinks. Elyse is not the only one keeping secrets. There are others like her all over the world, descendants of the very people the Greeks considered gods. She is one of them and they have been waiting for her for a long time. Some are waiting for her to put an end to centuries of traditions that have oppressed their people under the guise of safeguarding them. Others are determined to keep her from doing just that. But for Elyse the game is just beginning and she's not entirely willing to play by their rules. *Book Boyfriends Wanted Box Set #4: A Steamy Small-Town Curvy Girl Romance Collection* Mary E Thompson, 2024-04-18

Avoiding him is impossible and resisting him is even harder. His Curvy Fantasy. If hate at first sight was a thing, Anna felt it for her son's boss, Hudson. He's friends with everyone, he's cocky, and he's so damn handsome. He's all wrong for her. She has to protect her sons and herself from another man who won't stick around. But when Hudson shows her he's not who she thought everything she fought against is standing in front of her. And Anna is not foolish enough to say no. His Curvy Boss. Resisting her assistant should not be so difficult. Patrick is young, so young, and he should be dating women his own age. Women who could give him kids and a future and all the things Goldie had in the fourteen years difference between them.
