Read very carefully the instructions on the answer sheet.

Zimsec A Level Economics Paper 2 June 2014

Yi-Tong Ma

Zimsec A Level Economics Paper 2 June 2014:

Christian Theological Education and the Response to the Crisis in Zimbabwe Bekithemba Dube, Gift Masengwe, 2025-10-02 The book offers an incisive examination of the governing philosophy of the Zimbabwe African National Union Patriotic Front ZANU PF referred to as Zanupfism characterizing it as marked by callousness and malevolence towards dissenting voices from civil society and opposition factions This pernicious application of power extends beyond mere verbal aggression to encompass militaristic actions engendering a profound generational crisis within Zimbabwe The contributors explore the compelling juxtaposition between President Emmerson Mnangagwa and the biblical Nebuchadnezzar II a ruler notorious for his autocratic reign and expansive ambitions Further critically scrutinizing the complicity of neo Pentecostal prophets in the book reveals how these religious figures promote an esoteric understanding of the divine diverging from a theology rooted in justice thereby enabling the oppressive regime's practices This critique underscores the imperative for prophets to recalibrate their theological perspectives urging them to move beyond magical interpretations of faith toward an authentic engagement with a personal God who champions justice The book further encompasses the complex interplay of political and religious narratives examining how church leaders either bolster or undermine Mnangagwa's political ideology highlighting the tendency among certain religious factions to deify political authority ultimately exacerbating societal inequities In advocating for a transformative theological discourse in Zimbabwe the book asserts that religious narratives must serve as instruments for fostering democracy social justice and equity rather than sustaining a status quo that entrenches authoritarian governance The necessity for unified principled resistance grounded in the collective agency of the populace emerges as a salient theme in the quest for meaningful political and social reform

Chinese Investment in Africa Freedom Mazwi, George T. Mudimu, Kirk Helliker, 2024-03-01 This edited volume systematically interrogates the Chinese investment presence in Africa focusing on land and agriculture mining and other infrastructural projects In doing so the form and extent of Chinese debt will be brought into perspective with comparisons made to investments in Africa emanating from metropolitan capitalism The volume examines the development potential of these investments by focusing on the labour regimes created and the effects of investments on the land based agricultural livelihoods of the African peasantry This entails the use of a political economy approach which incorporates the state international actors and local communities into the analysis with gender dynamics also of great significance Overall the contributions in this volume focus on an array of African nations with a specific focus on Zimbabwe and they deploy a large wealth of primary field based data collected over a number of years by established and emerging scholars living and working on the continent

SMEs and Economic Development in Africa Gift Mugano, Nirmala Dorasamy, 2023-09-15 Small and medium sized enterprises SMEs are a driving force of the global economy contributing up to 50% of gross domestic product in some instances They also contribute to economic development through various channels such as employment creation economic growth and poverty reduction key elements of the Sustainable Development Goals Furthermore in many economies the majority of jobs are provided by SMEs However despite their support of the economy SMEs are prone to several binding constraints such as access to finance and market entry as well as exogenous shocks and

crises most recently the COVID 19 pandemic Building on evidence from international experience SMEs and Economic Development in Africa provides grounded solutions to challenges affecting SMEs particularly in Africa and offers guidance on how to build resilience to counteract future shocks It also offers a number of policy measures which governments in developing countries may need to consider in order to encourage economic growth and development such as increasing productive capacities training enhancing business ethics and professionalism and improving competitiveness What makes this book distinctive is that fact that it brings together the literature concerning SMEs in one place and using case studies it showcases how policymakers can overcome the challenges affecting SMEs The book also provides tested and practical remedies for African economies with a view to making SMEs a springboard for economic prosperity The book will appeal to advanced students scholars and researchers as well as policymakers development agencies and non governmental organisations

SMEs Perspective in Africa Gift Mugano, Nirmala Dorasamy, 2024-10-22 This book examines the important role played by small and medium sized enterprises SMEs in driving economic growth in Africa It highlights how SMEs have become central to the global economy and are vital in creating employment reducing poverty and ensuring economic development The potential for SMEs to positively impact Africa and maximise the continent's rich natural resources are outlined in relation to the creation of sustainable and resilience economies The benefits of digital technologies the need for easier access to finance and the creation of operational business spaces are also discussed This book offers a practical framework for the development of SMEs and the reduction of inequality in Africa It will be relevant to researchers and policymakers interested in development and African economics

Financial Inclusion Regulatory Practices in SADC Howard Chitimira, Tapiwa Warikandwa, 2023-05-25 Against a background of calls to prioritise the improvement of financial inclusion in Africa this book provides an analysis of current financial inclusion measures in Southern Africa Evaluating the existing strengths and weaknesses of financial inclusion in Africa it identifies opportunities to improve inclusive financial services and aid poverty reduction in the region With a focus on South Africa Namibia Botswana and Zimbabwe as case studies for assessing current financial inclusion in the context of particular challenges faced by unbanked and underbanked customers who are easy targets for cybercriminals due to low levels of digital literacy it looks into the regulation and promotion of financial inclusion in Southern Africa The book explores financial inclusion in the context of digital transformation in the 21st century examining the regulation and promotion of financial inclusion in the context of digital transformation as well as the challenges related to financial inclusion Suggesting improvements to aspects of company law securities and financial markets in the Southern African Development Community region the book offers a comprehensive study on the regulation and promotion of financial inclusion in the Southern African Development Community region It will be essential reading for students and academics researching financial inclusion international economic law and development

Yearbook of International Organizations 2014-2015, Volumes 1a & 1b (Set) Union of International

Associations,2014-06-16 Volume 1 A and B covers international organizations throughout the world comprising their aims activities and events **Environmental Impacts of Transnational Corporations in the Global South** Paul Cooney,William Sacher,2018-11-30 This volume explores the impact of Transnational Corporations TNCs on the environment of the Global South during this period of neoliberal globalization It develops themes around transnational extractive activity the impact of transnational capital on indigenous populations and the role played by international institutions **Public Policy in International Economic Law** Diane Desierto,2015-02-19 States reject inequality when they choose to ratify the International Covenant on Economic Social and Cultural Rights ICESCR but to date the ICESCR has not yet figured prominently in the policy calculus behind States international economic decisions This book responds to the modern challenge of operationalizing the ICESCR particularly in the context of States decisions within international trade finance and investment Differentiating between public policy mechanisms and institutional functional mandates in the international trade finance and investment systems this book shows legal and policy gateways for States to feasibly translate their fundamental duties to respect protect and fulfil economic social and cultural rights into their trade finance and investment commitments agreements and contracts It approaches the problem of harmonizing social protection objectives under the ICESCR with a State s international economic treaty obligations from the designing and interpreting international treaty texts up to the institutional monitoring and empirical analysis of ICESCR compliance In examining public policy options the book takes into account around five decades of States implementation of social protection commitments under the ICESCR its normative evolution through the UN Committee on Economic Social and Cultural Rights and the Committee s expanded fact finding and adjudicative competences under the Optional Protocol to the ICESCR as well as the critical dialectical and deliberative roles of diverse functional interpretive communities within international trade finance and investment law Ultimately the book shoes how States ICESCR commitments operate as the normative foundation of their trade finance and investment decisions

Gender and Identity around the World Chuck Stewart,2020-11-09 This book provides an indispensable resource for high school and college students interested in the history and current status of gender identity formation and maintenance and how it impacts LGBTQ rights throughout the world *Gender and Identity around the World* explores a variety of gender and LGBTQ experiences and issues in countries from all the world s regions Guided by more than 50 recognized academic experts readers will examine how gender and LGBTQ identities are developed fought for perceived and policed in countries as diverse as France Brazil Russia Jordan Iraq and China Each chapter opens with a general introduction to a country or group of countries and flows into a discussion of gender and identity in terms of culture education family life health and wellness law work and activism in that region of the world A section on contemporary issues specific to the country or group of countries follows this discussion Accounting for Biological Assets Rute Gonçalves,Patrícia Lopes,2017-10-16 This book explores accounting for biological assets under IAS 41 Agriculture and explains the recent adjustments introduced by the

IASB which allow firms to choose between cost or revaluation models concerning mature bearer plants Identifying the firm and country level drivers that inform the disclosure and measurement practices of biological assets this concise guide examines the value relevance of measuring those assets at fair value It also analyses how firm and country level drivers explain the differences in the disclosure level and practices used to measure biological assets under IAS 41 Finally it evaluates whether there is a difference in the relevance of biological assets among the listed firms with high and low disclosure levels on biological assets Based on a major international study of a wide selection of firms and country level drivers this book is vital for standard setters stakeholders students accountants and auditors who need to understand disclosure and measurement practices of biological assets under IAS 41

Urban Agriculture as Local Food Systems: Benefits, Challenges, and Ways Forward Tapan Kumar Nath ,Sreetheran Maruthaveeran,2025-09-30 Urban agriculture has emerged as a critical area of research due to the increasing pressures of population growth rapid urbanization climate change and land use changes on agricultural productivity and food security The COVID 19 pandemic has further highlighted the vulnerabilities in global supply chains leading to limited food availability and underscoring the need for resilient local food systems LFS LFS which involve locally or regionally produced food sold directly to consumers offer a promising approach to ensuring a steady food supply during crises This transition towards more inclusive resilient and sustainable food systems can enhance access to safe and healthy food benefit farmers boost local economies reduce dependency on imported food promote environmentally friendly production conserve local biodiversity and mitigate climate change Policymakers planners and advocates are increasingly recognizing the broader benefits of LFS including community building diversified economies civic engagement and climate resilience Urban agriculture through community gardens and urban farms plays a significant role in achieving sustainable development goals such as reducing urban poverty improving health and well being creating sustainable cities and communities mitigating climate change preserving life on land and fostering partnerships among stakeholders
