Refugee Learner Experiences. A Case Study of Zimbabwean Refugee Children Lawrence Meda, 2017-09 This study is a presentation of Zimbabwean refugee learner experiences Children escaped political persecution and economic problems which affected Zimbabwe in the year 2008 Many of these children were abused and witnessed traumatic experiences their close relatives and neighbours being executed in cold blood This study was guided by three critical questions i who are the Zimbabwean refugee learners ii what were Zimbabwean refugee learners migration experiences and iii what were Zimbabwean refugee learners school experiences The study employed Bronfenbrenner's Social Ecological Model as its overarching theoretical framework Each stage of the refugee experience was described at each point in time

The Art of Survival Joseph Chikowero, Anna Chitando, Angeline M. Madongonda, Government Phiri, 2015-11-25 The Art of Survival Depictions of Zimbabwe and the Zimbabwean in Crisis offers a fresh interdisciplinary examination of a period against which development in Zimbabwe is often measured one epitomized by the severe shortages and runaway inflation of 2008 While journalistic stories of the 1998 2008 era often privilege the reductive stories of woe defeat and crushed hopes this volume explores how survival was still possible in those circumstances The book offers insights into how ordinary Zimbabweans battled the odds by making startling innovations in language use to legitimize new survival strategies how they weaved new songs and reinterpreted old ones to fight for survival how social institutions such as churches reinterpreted popular gospel and how authors playwrights and dramatists crafted works that acknowledge the unprecedented difficulties and yet find humour laughter and love in unusual places This work will appeal to both scholars who will appreciate the depth of the analysis and the general reader

LWATI, 2007 *Global Perspectives on Teacher Performance Improvement* Al-Mahdi, Osama, Purinton, Ted, 2022-02-04 In service teacher professional development is central to most empirical conceptions of educational quality As the techniques and strategies for educational reform have spread rapidly throughout the world teacher professional development practices have been borrowed across borders It is important to study the global sharing of information on teacher professional development Global Perspectives on Teacher Performance Improvement examines the implementation of proven high quality teacher professional development practices in unique environments around the world It further explains the power of a globally connected community of teacher quality improvement Covering topics such as mentoring programs education technology and education workforce this book is an essential resource for educational administration and faculty pre service teachers the public education sector
