terrific informative read for the armchair historian A fascinating read packed with juicy details Elizabeth Chadwick New York Times bestselling author The Tudor period has long gripped our imaginations Because we have consumed so many costume dramas on TV and film read so many histories factual or romanticized we think we know how this society operated We know they did romance but how did they do sex In this affectionate informative and fascinating look at sex and sexuality in Tudor times author Carol McGrath peeks beneath the bedsheets of late fifteenth and early sixteenth century England to offer a genuine understanding of the romantic and sexual habits of our Tudor ancestors Find out the truth about swiving bawds shaking the sheets and the deed of darkness Discover the infamous indiscretions and scandals feast day rituals the Southwark Stews and even city streets whose names indicated their use for sexual pleasure Explore Tudor fashion the codpiece slashed hose and doublets women s layered dressing with partlets overgowns and stomachers laced tightly in place What was the Church view on morality witchcraft and the female body On which days could married couples indulge in sex and why How were same sex relationships perceived How common was adultery How did they deal with contraception and how did Tudors attempt to cure venereal disease And how did people bend and ignore all these rules This fascinating book explores the VERY unsavoury history of sex in Tudor England Daily Mail **The Consummate Virgin** Jodi

McAlister,2020-08-25 This book is a study of female virginity loss and its representations in popular Anglophone literatures It explores dominant cultural narratives around what makes a good female virginity loss experience by examining two key forms of popular literature autobiographical virginity loss stories and popular romance fiction In particular this book focuses on how female sexual desire and romantic love have become entangled in the contemporary cultural imagination leading to the emergence of a dominant paradigm which dictates that for women sexual desire and love are and should be intrinsically linked together something which has greatly affected cultural scripts for virginity loss This book examines the ways in which this paradigm has been negotiated upheld subverted and resisted in depictions of virginity loss in popular literatures

unpacking the romanticisation of the idea of the right one and the right time Jesus the Jew Geza Vermes,2013-01-25 In this Geza Vermes best known book there emerges perhaps the closest portrayal that we have of a genuinely historical Jesus Freed from the weight and onus of Christian doctrine or Jewish animus Jesus here appears as a vividly human yet profoundly misunderstood figure thoroughly grounded and contextualised within the extraordinary intellectual and cultural cross currents of his day Jesus the Jew is a remarkable portrait by a brilliant scholar writing at the height of his powers informed by insights from the New Testament Jewish literature and the Dead Sea Scrolls alike **Feminist African Philosophy**

Abosedo Priscilla Ipadeola,2022-08-26 The book argues that women s perspectives and gender issues must be mainstreamed across African philosophy in order for the discipline to truly represent the thoughts of Africans across the continent African philosophy as an academic discipline emerged as a direct challenge to Western and Eurocentric hegemonies It sought to actualize the project of decolonization and to contribute African perspectives to global discourses There has however been a

dominance of male perspectives in this field of human knowledge This book argues that African philosophy cannot claim to have liberated people of African descent from marginalization until the androcentric nature of African philosophy is addressed Key concepts such as Ujamaa Negritude Ubuntu Consciencism and African Socialism are explored as they relate to African women s lives or as models of inclusion or exclusion from politics In addition to offering a feminist critique of African philosophy the book also discusses topics that have been consistently overlooked in African philosophy These topics include sex sexuality rape motherhood prostitution and the low participation of women in politics By highlighting the work of women feminist scholars such as Oyeronke Oyewumi Nkiru Nzegwu Ifi Amadiume Amina Mama and Bibi Bakare Yusuf the book engages with African philosophy from an African feminist viewpoint This book will be an essential resource for students and researchers of African philosophy and gender studies

Empire on the Verge of a Nervous Breakdown Mary Gossy,2009-05-01 Literature gives access to the verge to the place where the full terror of falling is felt and yet both feet are still on the ground Empire on the Verge of a Nervous Breakdown offers pleasurable instruction to readers who want to know and feel their ways through and beyond disciplinary conventions towards new and clearer understandings of how empires and texts shiver and fall and why Literature makes a difference to the ways that these questions are asked and explored A cavalcade of writers among them Edward Gibbon Edgar Allan Poe James Joyce Sigmund Freud the Wolf Man Gertrude Stein Monique Wittig Jeanette Winterson Monty Python and even Miguel de Cervantes and A Conan Doyle have written about empire femininity Spain pain wounds war and love Symptoms of imperial panic abound in their pages very frequently manifesting directly or indirectly in allusions to Spain and things Spanish Here female or feminized bodies often bear the brunt of any acting out In these highly original and highly engaging essays the reader confronts verges of cliffs madness window ledges rooftops verges of virgins and whores slippery slopes and razor s edges Gossy argues that masculinity and femininity are always on the verge of slipping away from what they are supposed to be and of dragging fantasies of imperial domination over the edge with them The Spain of lost empire accompanies these acute symptoms of anxiety even in texts and authors where as in Monty Python s version of the Spanish Inquisition no one expects it

Our Human Herds: The Theory of Dual Morality (Second Edition, Unabridged) Stephen Martin Fritz,2019-05-14 Let us imagine that somewhere in present day South America a nation exists as the United States was constituted in 1789 George Washington is its president and Thomas Jefferson its secretary of state It is a nation that allows only white males to vote and its president cabinet officials and many of its citizens own slaves If the America of 1789 existed right now what would we think of it Would it be right to invade it in order to liberate its people Would we consider a complete embargo of it until it changed its ways Would it be a pariah among nations Or would we recognize and cooperate with it declaring its president and secretary of state political geniuses Maybe we would just do nothing and trust that in 100 or so years it will straighten itself out What would be the correct way to think of such a nation and its leaders Three hundred years ago if a woman was raped and became pregnant we d kill the rapist and

spare the baby Today we spare the rapist and kill the baby One hundred years ago only heterosexual marriages were legal Today political leaders around the world are celebrating gay relationships How and why does our moral outlook change in such matters By the time you are done reading this book you will have concrete answers to these questions and many more This is a learned thoroughly researched study and dazzlingly bright The effervescent approach to writing makes its pages fly by Studies as brilliant as this one deserve a far wider audience An engrossing and mind expanding examination of morality Kirkus Reviews

Unholy Writ: T. Joyner Drolsum,2011-11-07 During our brief and perilous journey ex irritum ad irritum how are we to find what the German philosopher Martin Heidegger Sein und Zeit would call the true approach to being How do we answer the question posed by the Apostle Thomas when he asked how can we know the way Jn 14 5 In other words how should we fill that parenthesis of infinitesimal brevity which James Joyce Ulysses maintained demarcates each of our lives The Bible has often been put forth as a supposedly infallible guidebook charting the correct path to an authentic existence e g 2 Tim 3 16 17 According to its proponents Scripture is an absolutely dependable life manual because it is the word of God Summa Theologica First Part Q 1 Art 10 However close inspection of the Bible calls into question its divine authorship and thus its reliability as an accurate roadmap for the soul In fact under close examination it proves to be nothing more than a mundane and cobbled together collection of archaic superstitions beginning with the outlandish speculations of Moses concerning the creation of the world and ending with the maniacal ravings of John regarding its destruction Exposing the true nature of Holy Writ was the main purpose for writing Unholy Writ The modus operandi for this expos involved a thoroughgoing critical analysis of Scripture The results from such a careful consideration of its contents clearly demonstrated that any claim that the Bible is some sort of sacrosanct ethical vade mecum is completely invalid Specifically the multiple contradictions and absurdities contained in the Bible confer an unreliability upon it that undermines its function as a guide for anything let alone as some sort of moral map for the journey through life Furthermore many of the ideas that are promoted in Holy Writ are actually spiritually harmful In addition unless the condoned misogyny violence intolerance injustice and cruelty can be removed then it is difficult to view the Scriptures as anything like an unwavering celestial beacon that clearly lights the way through the moral fog that at times engulfs our lives Moreover the many errors that it contains including those about the natural world undermine the pivotal claim that the Bible is divinely inspired
