FRONT PANEL

IMPORTANT NOTICE

This manual has been provided for the use of authorized Yamaha Dealers and their service personnel. It has been assumed that their service procedures adhere to the industry, and more specifically Yamaha Products, are already known and understood by the users, and have therefore not been repeated.

WARNING: Failure to follow appropriate service and safety procedures when servicing this product may result in personal injury, destruction of expensive components and failure of the product to perform as specified. For these reasons, we advise all Yamaha product owners that all service required should be performed by an authorized Yamaha Dealer or the specified service representative.

IMPORTANT: The presentation or use of this manual by any individual or firm does not constitute authorization, certification, recognition of any applicable technical regulations, or establish a warranty upon relationship of any form.

The data provided is believed to be accurate and applicable to the model indicated on the cover. The research, engineering, and service departments of Yamaha are continuously working to improve Yamaha products. Modifications are, therefore, inevitable and specifications are subject to change without notice or obligation to notify. Should any discrepancies appear to exist, please contact the distributor's Service Division.

WARNING: Static discharge can destroy sensitive components. Although any static electricity your body may have accumulated by grounding yourself to the ground line in the unit (shown by a light bulb) will not harm the unit.

IMPORTANT: Turn the unit OFF during disassembly and parts replacement. Double-check all work before you apply power to the unit.
