I am pleased to submit my resume as my 6+ years of experience as a School Counselor with strong interpersonal skills and compassion to deliver effective counseling to students from various and often challenging backgrounds meet the requirements you need.

I am a driven and competent professional with a Bachelor's degree in Psychology from a reputable university. I am committed to creating environments that are supportive, stimulating, and inclusive, allowing high school students to attain their best potential. I have consistently demonstrated that I am an innovative problem solver, a great listener, and a source of support with a thorough awareness of the issues that today's youngsters confront.

The following qualifications portray my qualifications in detail-

- Provided specialized counseling to students with disabilities and behavioral concerns.
- Upon counseling, five students enter drug rehabilitation therapy.
- Implemented a college application training program that increased application rates by 30%.
- When figures from three years ago were compared to the current scenario, the number of reported bullying cases reduced by 65%.
- Improved graduation rates by 15% by introducing an early intervention program for students identified as at risk of failing or dropping out.

Through the implementation of peer mentoring, anti-bullying, and conflict resolution efforts, I have been able to improve relationships and reduce conflicts between peers. I am certain that I can transfer my skill set to boost the well-being and performance of children at ABC International School, which will enhance my value as an employee.

My range of experience coupled with my ability to be an enthusiastic, compassionate and intelligent counselor would make a positive contribution to your institution. I would welcome an interview and hope to hear from you at your earliest convenience. Given the opportunity, I will provide exemplary guidance and ensure no student is left behind at ABC International School.

Sincerely,

[Your Name]
