Low-Mess Crafts for Kids Debbie Chapman, 2018-06-26 A collection of craft ideas for kids that create a minimum of mess

Lit'l Bit's Classroom Jo Ann Farber, 2000-07-24 A plethora of children's wit and wisdom as told through their daily lives with a childcare teacher. All are conversations she heard during her eleven years of working in preschool center. The insight and humor of the children is revealed quite cleverly. The author's love for children comes through strongly as you read the collection. This is a one of a kind work very unique and sometimes hilarious. Also contains many craft ideas and helpful hints for preschool teachers and or parents. Working with children is the most rewarding thing I have ever done. These years have been a very educational experience. If I planted one seed along the way I feel I have done my part. The title Lit'l Bit was a nickname from years ago. One day I couldn't reach something on a shelf and I said I'm not big enough. My husband replied Oh you're such a little bit and the name stuck

 single file into the school board building one day Some difficult students in summer school mistakenly believed my black
 patent leather belt to be a black belt in Karate Who was I to tell them differently Coming right on top of the laughs were the
 times I went home to cry I remember the student new to our school who went home one evening and hung himself his cries
 for help coming too late I remember with equal sadness the foster child we sponsored in Kenya who died because help did
 not reach him in time Closer to home was the overage student who was shot and killed while he participated in a home
 invasion just days after he finished summer school Outside factors reached inside our classroom as well reeking havoc with
 the emotions of both the children and me The disastrous space shuttle with the teacher on board happened before our very
 eyes while the greatest tragedy of all was the destruction of the twin towers on 9 11 These stories and many more comprise
 my educational career and although there was no easy button I would do it all over again I was a teacher
